

FRIDAY BLAST 10/19/18

"My Future's So Bright" Week at Bell was a success! Students participated in personal and academic goal setting as well as fun dress up days (see picture below!).

7th and 8th-grade students started work on their Individual Career and Academic Plan (ICAP). The purpose of this was to get them thinking about future careers and post-secondary planning. Ask your student about their personal and academic goals they set for the year!

R.O.A.R. Assemblies

Congratulations to all of the students for being a part of our first ROAR assemblies. Our Student Council lead each of the grade level assemblies. The StuCo students worked for weeks planning and implementing a very successful and prideful event for all of our student body. The message behind this assembly was to be Respectful. Students participated in their grade level teams with skits, competitions, and even dancing. Keep up the great work, Bell Bobcats and keep ROARing! - Mr. Templeton

HALLOWEEN INFO:

- **Halloween** is less than two weeks away, and **we will once again have a costume contest for our students.** As you and your kids start putting together their possible prize-winning costumes, please keep the following in mind:
 - **Students may not bring any weapons, including fake weapons,** to school. These include, but are not limited to: plastic swords, knives, guns, sickles, hammers, pick-axes, saws, etc. Weapons – and even the fake / plastic weapons – violate District policy (JICI, JKDA, JKEA).
 - Students **are not allowed to wear masks during the school day as part of their costumes.** This is a District-wide practice. Although masks can make a costume cool, they pose a variety of safety risks (including, but not limited to, not being able to see well through

the mask). We will be enforcing this rule carefully. Students can save these accessories for Halloween night!

- Please ensure that all **costumes still adhere to the school's dress code**: nothing too short; tank tops straps at least two fingers wide; no sagging pants; no inappropriate language or images (this includes images of alcoholic beverages) on clothing; and otherwise, clean, covered, and respectful.

**** AFTERSCHOOL WORKOUTS ARE OFFICIALLY OPEN!****

Do you want to get fit, tone up, and burn off some steam? Come by the weight room on Tuesdays and Thursdays between 2:10 and 2:45.

If you weren't able to make it to Bell's Got Talent this week, you missed an awesome show! Congratulations to all of the students that performed, and to all of the amazing behind-the-scenes students and teachers that made the show possible. Job well done! Bell is FILLED with talent!

and athletics.
