Bell families, We send communications out in a variety of ways, and we do occasionally have to send letters in the mail to our Bell community. When this is done, we find that many of our correspondences are returned due to incorrect information. These addresses are taken directly from Jeffco Connect. We also use the phone numbers in Jeffco Connect to contact you in case of emergency or illnesses. The phone numbers are often incorrect as well. It is imperative that you take a moment to check your information in Jeffco Connect to confirm that it is accurate. Thank you in advance for taking a moment to check your information!

Thank you to everyone who contributed to our Trick-or-Treat for UNICEF campaign this year. As a school, we are donating \$2,668.26 to UNICEF to help children around the world. The top classes for each teacher who won the rewards are:

- Ms. Paricio's period 3 - with the most of any class in the school at \$286.17
- Mr. Krisl's period 1
- Ms. Martinez's period 5
- Ms. Rinehardt's period 6
- Mr. Haberkorn's period 1
- Mr. Pullen's period 6
- Mr. McGinnis' period 1

The team with the highest average per class is Team Mancos, averaging over \$144 per class. The class that knows that every penny counts - with \$70 in change - is Ms. Paricio's period 2. Thank you for showing that Bell is a caring community, both here in Golden and around the world.
