

Assistant Principal Tricia Samuelson

I have been working in education for over 22 years. I grew-up in Trumbull, Nebraska, a town of about 220 residents. I attended the University of Nebraska-Lincoln for both my undergraduate degree (EL.Ed/Sp.Ed) and my first Master's degree (Special education with an emphasis in Deaf education). I received my second Master's degree in Educational Leadership from WGU in 2015. My husband and I have known each other since we were very young, as he also grew-up in Trumbull. We have three beautiful children (Maddie (18) is a Freshman at Hastings College, Bailey (16) is a junior at Columbine, and Quinn (9) is a 4th grade student at Three Creeks.

Throughout the years, I have had the opportunity to work as both a Special Education Teacher (working with all grades K-6th grade) and an Intermediate classroom teacher at several different schools in both Nebraska and Colorado. My greatest professional joy comes from helping kids find academic, social and emotional success, and developing relationships with both students, staff and parents.

Dean of Students Matthew Holmes

I am an Arvada native and was a Jeffco student in this articulation area K-12. I am an avid outdoors enthusiast and enjoy hiking, biking, hunting, fishing, camping, climbing, skiing... Pretty much if it's an outdoor activity that I can buy cool gear for, I'm in! I do not have any kids of my own yet, but I do have one fur-baby named Mya. She is a 2 year old German Shepherd that happens to think she is a lap dog...but she's worth it! Before I began on an administrative path with my career, I taught PE at the elementary level (at the same school I was a student at!!) I look forward to meeting and working with the entire Three Creeks community!
