Dear Parents and/or Guardians:

The Intramural Program is able to take students off campus to various sporting places throughout the community such as The Alley, The Sky, Salina Event Center, etc.. The majority of these places charge a fee. Even though we have been able to get that fee reduced we still need to pay a minimal amount.

To help raise the funds to participate at these places the Intramural kids work 1 or 2 concessions. Part of the proceeds will go into the Intramural Fund along with student donations.

Our first concession is scheduled for **Monday November 7th**. It is for a girls basketball game. This opportunity also gives them a chance to communicate and deal on a business level with adults and other students in a fun way. They will be selling candy, pop, popcorn and nachos. Please choose a time or the whole time and sign this form if you will allow your child to work. If not please consider donating \$3-\$5 to go towards these activities.
