

## **Trinity High School 2022-2023 School Supply List**

### **General List** (Supplies all students should have for all of their classes)

Loose-Leaf Paper (college ruled; several packs)

Pencils (several boxes)

Pens (several boxes of blue/black)

Erasers

Folders (at least one for each class)

Highlighters (multi-colored)

### **Technology**

All students will be issued a Trinity Chromebook, charger, and case at the beginning of the school year. The students are expected to **FULLY CHARGE** their Chromebooks **AT HOME EACH NIGHT** and bring them to school the next day. The charge should last the whole school day. Students should not expect to be able to charge their Chromebooks at school due to the fact that there are very few places to charge them and the chargers tend to get lost when brought to school. The Chromebooks will be used in class most days, so they need to bring it to school each day. Cell phones are not allowed to be out during class!

**\*\*Find your student's course specific supply lists below separated by grade level\*\***

### **Freshmen**

#### **English 9/Honors English 9**

One 1" binder (for this class only)

One 1- subject notebook (College ruled) (for this class only)
