READING PROGRAM

June 2022

Dear Highlands and Atlantic Highlands Families,

We are excited to present our new summer reading program this year. In order to prevent the “summer slide” and promote literacy skills during our break, we are expecting students to keep reading. The program consists of both required and choice books along with a completed log and assignment to be handed in the first week of school.

Your student can access books online through our Scholastic Literacy Pro program from June 15th-August 31st. Before the end of the 2021-2022 school year, students will be given their login information by their present classroom teacher. If your student is transferring in over the summer, please contact us to receive your student’s login information as noted in the bottom of this letter. In addition, the Monmouth County Library has a program again this year. The theme is “Oceans of Possibilities” for big summer fun. You can visit the Atlantic Highlands branch for books, online access, and ongoing activities.

If you have any questions or concerns, please contact me. Also, I will be available during the month of July and can be reached at 732.872.0900 Ext. 4141. During the month of August, questions and concerns can be directed to Dr. Jeanette Baubles, Tri-District Director of Curriculum and Instruction, at 732.872.0900 Ext. 2002.

Happy reading,

*Mrs. Higgins*
