RE: Fall Online Registration

Dear Parents,

We wanted to inform you that we are once again using the online registration system for the 2021-22 school year. Online registration is now open and ALL students, this includes returning students, need to be registered BEFORE August 25th. This is to ensure that all contact and health information are up to date each year. If you do not have access to a computer, the Wilbur School will provide a computer for you starting on August 23rd. Please call 509-647-2221 and confirm that someone will be in the office. It is not recommended to complete the registration process from a smart phone.

To register, go to the school's website at www.wilbur.wednet.edu in the blue circles, click the Skyward hand. Click on your home district Wilbur or Creston. Next, you will have to enter your login and password (directions are at the bottom of this page). You are logging in as the parent and need to use your name for the login and password NOT your student's name. This will take you to your student's Skyward Family Access page. If you have more than one student, you will have to choose one from the drop down menu. After selecting your student, there will be a link on the page saying '2021-22 Registration'. Click the link and follow the directions. Please fill out the registration forms as thoroughly as possible. If you have more than one student, you will have to do this process for each student.

Wilbur Elementary is planning to have an Open House on August 30, from 5:00 to 7:00. Please come meet your student's teacher and check out their classroom.

Hope you are having a great summer!

Sincerely,

Wilbur School District
