

ECFE PTO Job Description

What is the PTO?

The ECFE PTO is an organization designed to represent expectant parents and parents of children birth to pre-kindergarten as citizens of the Brainerd School district and to strengthen and support families as they care for, and grow with, young children.

Our goal is to provide a framework for coordinating fundraising and volunteer efforts for the purpose of purchasing instructional items and funding events, activities, and school enhancements that would not otherwise be provided within the school budget.

Who belongs to the PTO?

All ECFE parents are encouraged to join the PTO. Membership is a terrific way to meet other parents with similar interest and goals. Many great friendships have been the result of working together on a project.

Expectations:

Regularly attend PTO Meetings, which are held mostly on the second Thursday of each month from 3:45-5:00. Limited childcare is provided at these meetings if necessary.

Participate in a committee to assist in organizing and planning events throughout the year.

Volunteer for ECFE sponsored events, including setup and teardown for each event. There are on average about 5-6 events per year.

Act as a representative and advocate of early childhood education.

Contribute recommendations for policies, goals, and programming to represent views of other parents involved in ECFE.

Getting involved in your children's education shows them that you value school. In addition, membership in the PTO gives you another avenue to become an essential member of your child's educational team. After you actively participate in three PTO meetings/events, membership in the PTO also includes the following benefits:

-Early registration for ECFE classes

-Free admission to any ECFE sponsored event, i.e. Monster Bash, Dads and Dolls, Wiggle A While etc.
