

SOAR ACADEMY MISSION

Soar students will be empowered through academics, gaining social-emotional knowledge and career and technology training. Students benefit from smaller learning environments and learn skills to become leaders who reshape themselves, their communities, and society.

3 MAJOR PROGRAM COMPONENTS

ACADEMICS

To enhance student learning teachers use:

- Data-Driven Instruction
- Incentive Systems that track student strengths and growth
- Therapeutic Smaller Classrooms
- Teacher Development and Training (de-escalation, implicit bias, behavioral management)
- Rigorous Instruction

SOCIAL EMOTIONAL LEARNING

Students will learn:

- Self-Management
- Self-Awareness
- Social Awareness
- Responsible Decision Making
- Relationship Skills Building
- Benefits of Growth Mindset
- Restorative Justice Practices
- Health and Trauma Interventions

CAREER & TECHNICAL EDUCATION

Students have options to engage in learning opportunities in the fields of:

- Automotive Technology
- Computer Repair
- Construction Trades
- Cosmetology
- Electrical Trades
- Entrepreneurship
- Web Page Design

PLANNED PROGRAM OUTCOMES

100% of students will attend school 95% of the time.

100% of students will enroll in Career and Technical education courses.

100% of students will obtain post-secondary acceptance.

80% of students will graduate with CTE program classes.
