ITEM TITLE:
Recognition of 2022 Positive Behavior Intervention and Support Award Recipient

Action X Information

BACKGROUND INFORMATION:
The District wishes to announce that fourteen sites received Positive Behavior Intervention and Support (PBIS) recognition from the California PBIS Coalition in 2022.

This was an exceptionally difficult year to meet the requirements due to the transition back to in-person learning, increase in social-emotional learning and behavioral needs, and COVID-19 tracing, among other things. This is the first time we had schools receive Gold recognition.

ITEM TITLE:
Report on District Impact Teacher Support Efforts

Background Information:
We are currently in year two of the District impact teacher support program. Utilizing Elementary and Secondary School Emergency Relief III Learning Loss funds, each site has hired a full-time impact teacher to provide literacy intervention to students in Grades 3-6. In the top 12 unduplicated sites, an additional impact teacher was hired this year in order for more students to be supported.

Additional Data:
Each impact teacher supports 55 students from a specific tiered system of support in Grades 3-6, who did not meet grade level end-of-year expectations on Achieve3000® LevelSet in Grade 3, and California Assessment of Student Performance and Progress in Grades 4-6. These students are provided targeted intervention multiple days each week to develop and reinforce language and literacy skills. Impact teachers collaborate with classroom teachers to ensure the time spent coincides and enhances classroom instruction for improved student achievement.

Tonight, District staff will provide an overview of the impact teacher support efforts for the 2022-23 school year.

7. SPECIAL RECOGNITION, AWARDS, AND HONORS

A. Presentation of Newly Hired and Promoted Employees

Assistant Superintendent of Human Resources Mr. Jason Romero announced the following promotions:

Catherin Alilin, Human Resources Coordinator/COVID Coordinator
Margarita Duarte, Student Attendant
Heather Hass, Library Technology Technician
Jeanette Hernandez, Instructional Assistant-Special Education
Erika Munoz, Coordinator of Early Childhood Education Services
Maria Rubio, Child Nutrition Services III
Maria Samaniego, Library Technology Technician
Marian Santos-Ebriea, Child Nutrition Services III

Mr. Romero announced that CVESD works diligently to prioritize classified staff on professional development opportunities. Just a few months ago, the District had embarked on a grant writing offer with National University giving priority to classified employees pursuing an educational career in the most needed areas of instruction, dual
immersion, special education, and VAPA. On Monday, the District was notified that it was awarded a $6.1 million grant, giving priority to classified employees pursuing an educational career. The District will ensure that 100 of its classified employees will get this opportunity.

Member Bishop asked about the details of the grant. Mr. Romero stated it is geared toward tuition. The ‘residency’ will be composed of the classified employee spending one year in the classroom with a master teacher. The master teacher will be compensated for being the mentor, and the classified employee will continue to be compensated for their regular job. A bonus to this program is that we train our future educators to our standards while they continue to serve our community.

Dr. Reyes recognized and commended Ms. Theresa Villanueva for her 21-years of service to CVESD. Mr. Esquivel shared his appreciation for her work and devotion and wished her well on her retirement. Board Members each thanked Ms. Villanueva for her service.

Dr. Reyes brought attention to the beautiful artwork on the wall in the room from our students at Rice, Finney, Wolf, Lauderbach, and Montgomery. They put a lot of work and heart into the artwork.

Students were very appreciative of the opportunity and even wrote thank you notes to the Club.

President Ugarte requested a three-minute break at 6:42 P.M. and meeting reconvened at 6:45 P.M.
8. COMMUNICATIONS TO THE BOARD OF EDUCATION

A. Chula Vista Classified Employees Organization

President Angela Reed expressed excitement about the National University grant with CVESD and the opportunity for classified staff.

She shared her concerns of classified staff inappropriately assigned to take roles of certificated staff. They are not trained or credentialed to fulfill these assignments. She gave a few examples of the assignments.

An additional concern is the working conditions of paraprofessionals exposed to maladaptive behavior. They need specialized training to help support students with these behaviors.

These are urgent needs that require prompt attention.

B. Chula Vista Educators

President Rosi Martinez acknowledged the effects of the decisions of leadership, Dr. Reyes, and the Board with students’ needs being prioritized and supports being put in place: a counselor at each site to provide mental health support; an impact teacher at every site to provide academic support. Dr. Reyes has provided an additional impact teacher to the highest needs schools which reflects his understanding and willingness to provide what is needed to support students and teachers.

CVE and the District have worked collaboratively to support the social and emotional component of MTSS. Ms. Martinez reiterated her appreciation to the Board for its support, and Superintendent Dr. Reyes for his full support and ensuring that programs came to fruition. The work is not yet fully executed, though we have strong team to support these services. She acknowledged Lisa Forehand and Rochelle Carroll.

We still need trained staff to help support students with extreme behaviors. Currently, we have teachers supporting these students without the appropriate training while still maintaining a high amount of rigor in their classrooms. The added expectations are affecting teachers. She expressed her appreciation for their dedication, the ongoing support from all other staff in providing services to children, and wished them a well-deserved fall break.
9. ORAL COMMUNICATIONS

The Oral Communications section provides the public with an opportunity to address the Board on non-agenda items. Persons wishing to be heard may attend in person and should complete a “Request to Be Heard” card and submit it to the Recording Secretary before the start of the meeting or call 619-679-9001 prior to the start of the meeting. Speakers are requested to limit their remarks to three minutes and speak in a respectful and professional manner. The Board shall limit the total time for public input on each topic to 20 minutes. With Board consent, the President may increase or decrease the time allowed for public comments depending on the number of persons wishing to be heard. No Board action can be taken.

10. ORAL PRESENTATIONS AND WRITTEN REPORTS

A. District Safety Efforts/COVID-19 Update

Mr. Jason Romero presented information on Safety Committees. Committees have been formed at each site, and first quarter meetings have been held. Safety committees are composed of administrators, teachers, classified staff, Emergency Preparedness and Safety Manager Jose Cortez, Benefits and Risk Management Manager Jennifer Venyak, Senior Director of Human Resources Jorge Mora, and Assistant Superintendent of Human Resources Jason Romero.

Safety committee discussions/recommendations included:
• Cleaning MOU is no longer required as per CAL OSHA. COVID updates show that cases have declined and there is data to support these results.
• Perimeter checks with areas of concern, i.e., perimeters, fences, work orders. Working with Director of Maintenance and Facilities and Safety Manager to ensure protocols are in place, and repairs are top priority.
• Visitor check-ins. Lack of front office coverage occurs, particularly during lunch schedule shifts. Front doors will be locked, and signs will be placed during the brief periods of staff shortages.
• Rainy day (or heat) schedules being considered for high heat days of over 95 degrees by having students stay indoors.
• Supporting staff on addressing students with violent behaviors. Prioritizing student and staff safety and training during student outbursts.

As for the COVID update, effective September 17th, the State Public Health Officer Order rescinded the requirement of weekly testing for unvaccinated staff and volunteers. Though there are new variants, BA5 remains dormant, and cases are declining. Additionally, ages 12 and up are eligible for the new omicron-specific booster.

• Delia Dominguez Cervantes addressed school safety measures, a discrepancy on the August Board meeting minutes, and teacher pay and curriculum for teacher substitutes.

Board Members had the opportunity to comment.

Member Bishop requested information on student restrictions on the playground during recess, heat level temperature designated as unsafe, and funding for radios (walkie-talkies). Clarification provided stated that there are no COVID restrictions in place for playground activity, heat levels for safety measures are still being reviewed, and funding for radios was a federal grant by the Department of Justice.

Member Fernandez inquired about hiring consultants with expertise in school safety. Mr. Romero shared that the Sobel Group has been considered to provide an independent review of every single school site by conducting safety checks, i.e., checking unsecured areas, ingress/digress during evacuation, and reviewing all safety areas and protocols.

Clerk Tamayo expressed his appreciation for follow through on placing school safety as a top priority and inquired about the security cameras and COVID testing. Ms. Romero stated that cameras will be synced with Chula Vista and San Diego Police Departments. This
has been a top priority for safety. He also stated that there’s been a lot of debate on masking and testing, but consensus that testing and it does work. Weekly testing is highly encouraged and continues to be offered at the sites, and for school events such as sixth grade camp.

President Ugarte acknowledged Dr. Reyes and his team for the emphasis, follow through, immediate communication notification and updates to the Board, staff, and parents on safety concerns, and top priority placed on safety efforts.

B. Harborside Elementary School and Safety Update

Mr. Romero provided an update on safety at Harborside. The topic, work, and efforts date back to January 2022, prior to receiving communication and concerns by the parents, staff, community, and media. One of the biggest joint efforts with the City and community has been to ensure the closure of the park for safety concerns.

Harborside will be the first school to get security cameras. Paid security guards have been on site from 6 am to 6 pm on school days. The recruitment of a new principal was prioritized and thoroughly thought out, and as a result, selected a former Harborside student with a vested interest in the well-being of the school.

In conjunction with South Bay Community Services, improving student attendance is also a focus for the school’s success. Community partnerships have been solicited to help take the community to the next level, in particular the local Sprouts Market. They donated 100 tickets to Disneyland for students who have never attended.

Dr. Reyes added that for several months, he has met and been in communication with the City Councilmembers, Mayor, and local authorities to address the health and safety concerns at the park that has been a recurring concern for years but has become unsustainable. He also stated that the City has protocols they need to follow, and because the park is a City property, it was action that they needed to take. These efforts resulted in the closure of the park on August 31. Furthermore, the City will involve stakeholders for input on the next steps for the property.

- Delia Dominguez Cervantes regarding her involvement with a group of parents at Harborside and shared their input on addressing the safety at the park and school.

Board Members had the opportunity to comment.
Member Fernandez shared his first school visit as a Board Member was Harborside because of the safety concerns. He added that he too has been in communication with the City, and he expressed appreciation to District personnel for their involvement in addressing these concerns.

Clerk Tamayo affirmed that the passion for student safety is there. His discussions with the City have been ongoing for at least a year. The process has been slow, but we are getting help from councilmembers. Just like we advocate for our students, we also need to see how we can provide alternate solutions for the property and the City.

Member Bunker shared sentiments and emphasized her appreciation to staff for their support and involvement on addressing this issue.

President Ugarte reaffirmed that Dr. Reyes acted immediately on addressing this issue as soon as he was appointed Superintendent. As a result, he called for Community Forums, and action was taken. This issue has not been ignored. The safety of students has been and continues to be the number one priority. Additionally, parents and staff are notified immediately when safety concerns arise at the schools.

C. Report on District Social Workers/Counselor Support Efforts

Dr. Matthew Tessier and Senior Director of Student, Family Community, and Instruction Lisa Forehand and her team presented on District Social Worker and Counselor Efforts prioritizing on student social and emotional wellbeing as stipulated in LCAP Goal #2. There are a multitude of services from District social workers and counselors. Added emphasis was placed on the requirement of obtaining written parental consent for a child to be served. Parents have the right to opt in or opt out. Ultimately, no student is seen without parental consent.

Currently, there are eight District social workers (licensed clinicians), eight interns, and 30 school site-based counselors.

Social Workers are licensed clinicians providing a variety of intensive counseling and case management services to the most vulnerable student population. A list their daily tasks was presented, and a list of student supports.

The top 10 unduplicated sites are each provided with a fulltime school counselor. The remaining are assigned a school counselor 2.5 days per week. A list of their scope of work was shared.
• Delia Dominguez Cervantes discussed parental consent for services being offered/provided to students

Board Members had the opportunity to comment and ask questions.

Board Member Bishop asked for clarification on how the caseload/case management is established, if services and support are provided throughout the year, and how do social workers interact with outside agencies for added support. She also requested clarification on counselor interns. The District social worker explained the breakdown of caseload numbers, that services are ongoing depending on the child’s needs, protected services are provided to families, and there is a lot of collaboration and communication amongst all the parties involved, including with partnerships. MTSS Director Elizabeth Gianulis confirmed that there are counselor interns and explained the requirements/qualifications and training provided.

Board Member Fernandez commended and acknowledged the counselors and social workers for their commitment and support.

Clerk Tamayo expressed appreciation for the support provided to students. He asked how much of a challenge it is to recruit counselors and social workers. Mr. Romero explained that currently there is a hiring shortage in all areas of education. Fortunately, partnering with local universities so that we have a network of counseling connections help in providing internships and valuable opportunities for interested and qualified candidates.

Vice President Bunker and President Ugarte commended the support of social workers and counselors focusing on students with greatest need, and highlighted that parents are required to provide written consent for their child to receive these services.

Review and Accept Quarterly Report to the San Diego County Office of Education on Williams Complaints for the Period of July Through September 2022

Action  X  Information

BACKGROUND INFORMATION:

In May 2000, a lawsuit was filed against the State of California claiming that low-performing schools throughout the state were housed in facilities that were dirty, unsafe, and inadequate with further allegations that these schools were additionally burdened with unqualified teachers and insufficient instructional materials. A settlement in Williams vs. California was reached in August 2004 and subsequently enacted into law through Senate Bills 6 and 550 and Assembly Bills 1550, 2727, and 3001 (chaptered September 29, 2004).

The intent of the Williams settlement is to ensure that all students have equal access to:

- Instructional materials
- Qualified teachers
- Safe, clean, and adequate facilities

ADDITIONAL DATA:

A stipulation of the settlement is that all school districts must update Uniform Complaint Procedures to include:

- Instructional materials.
- Teacher vacancies and misassignments.
- Emergency or urgent facilities issues.

Notices are posted in each classroom in every District school informing parents/guardians that all classes in all California public schools must have sufficient instructional materials and that the facilities must be clean, safe, and in
“good repair.” The notices also provide information on how and where to file a complaint.

A quarterly summary report of complaints must be presented to the Board and to the San Diego County Office of Education. For the period of July through September 2022, no Williams complaints were filed in the District.

**FISCAL IMPACT/FUNDING SOURCE:**

None.

**STAFF RECOMMENDATION:**

ITEM TITLE:

Adopt Resolution Requesting Temporary Transfer of Funds for Fiscal Year 2022-23

X Action

Information

BACKGROUND INFORMATION:

On May 18, 2022, the District approved a resolution requesting temporary transfer of funds from the County of San Diego for the 2022-23 fiscal year. Due to recent changes by the County of San Diego, in the event the District needs to request a temporary transfer of funds from the County of San Diego, the resolution must be adopted after the District’s budget is adopted. The District was recently notified that borrowing may be needed to account for the updated Tentative Property Tax Apportionment Schedule for 2022-23. As a result, the District must have a current resolution requesting temporary transfer of funds from the County of San Diego based on the 2022-23 Adopted Budget.

The County of San Diego is currently projecting the December property tax distribution date of December 20, rather than December 14. Additionally, the County of San Diego is estimating the December allocation to be 25%, rather than 40%, with the difference being allocated in January 2023.

Based on previous property tax allocations, the District determined there was no need to participate in the 2022-23 San Diego County Tax and Revenue Anticipation Notes (TRANs) Program to offset the irregular timing of property tax revenue receipts and State revenue apportionments during the year. Because of the recent change in the property tax allocation, the District seeks to have an additional option for cash borrowing. Adopting the attached Resolution will authorize the County Treasurer of San Diego to make a temporary transfer of funds available to the District in order to protect against cash deficits. The District may request funds in an amount not to exceed 85 percent of estimated secured taxes to be accrued for fiscal year 2022-23. The District has not requested funds from the County for many years, but we have determined it is prudent to have alternate cash options available.
ADDITIONAL DATA:

Supporting documentation is available for review in the Office of the Deputy Superintendent.

FISCAL IMPACT/FUNDING SOURCE:

This resolution will enable the District to protect against temporary cash deficits by requesting a temporary transfer of funds from the County Treasurer if all other funds are exhausted. If funds are accessed, interest will be charged on the temporary transfer at the current rate being earned by county funds.

STAFF RECOMMENDATION:

Recommend adoption.

Tax Zone 1 consists of a mixed-use development referred to as Planning Area 12 (Freeway commercial) which was formerly within CFD No. 1 and Tax Zone 2 represents the southern and western portions of Village 2 which were formerly within CFD No. 17. At buildout, this CFD is expected to consist of approximately 3,115 dwelling units at buildout of which 1,769 are currently developed or under construction.

Community Facilities District No. 20

This CFD encompasses the residential development to be developed in Village 3 of the Otay Ranch with Heritage Road to the north and west and Main Street located to the south. At buildout, this CFD is expected to consist of approximately 1,026 single-family attached and detached dwelling units of which 948 are currently developed or under construction. Excluded from this figure are 272 apartment units which were excluded from the CFD. Additionally, there is some expectation that some additional attached product will be entitled and developed and may annex to the CFD at some point in the future.

Community Facilities District No. 21

This CFD encompasses approximately 300 gross acres and includes the residential development Cota Vera to be developed in the western portion of Village 8 of the Otay Ranch with Santa Luna St to the north and Main Street located to the south and the development is largely bisected by the extension of La Media Rd. At buildout, this CFD is expected to consist of approximately 2,334 single-family attached and detached dwelling units as well as several hundred apartment units. Currently 829 dwelling units are developed or under construction.

Purpose of the Bonds and Authorized Facilities Funding

In total, CVESD has issued approximately $300 million in CFD Certificates of Participation (COPs) and bonds since 1988 to finance various authorized facilities. Generally, the facilities authorized to be acquired or constructed with the bond proceeds include the acquisition of elementary school sites and the design, construction, lease, equipping, and/or improvements thereon of elementary school facilities. The following table identifies the section in each respective resolution of formation that describes the authorized facilities for each CFD.

*Refunded bonds to reduce interest rate payments.

Thus, for the 2021-22 tax year, debt service payments to be paid with special tax funds are the amounts due for the outstanding four refunding COPs in 2010, 2013, 2014, 2016 and 2021; and the “new money” COPs issued in 2016, 2020 and 2021.

**Application of Proceeds**

In December 2021, COPs were issued in the approximate aggregate amount of $60,000,000 which yielded net proceeds available to finance the construction of a new elementary school at Otay Ranch Village 2 Site 2. U.S. Bank, as the trustee on behalf of CVESD, received and deposited proceeds from the COP.

In addition, COPs were issued in the approximate aggregate amount of $16,475,000 to refund the 2011 COPs. Bank of New York Mellon, as the escrow agent of CVESD, received and deposited proceeds from the COP.

**Account Activity**

During fiscal year 2021-22 funds collected and expended were as follows.

**Status of Project Improvements**

During fiscal year 2021-22, the following expenditures occurred from the CVESD CFD Account:

- $14,777,795 was used to pay the scheduled debt service on the outstanding COPs bonds.
• $19,184,831 was used to redeem bonds in advance of its scheduled maturity as a result of refinancing of the 2011 COPs.
• $39,806,586 was used for the new school construction expenditures for Fahari L. Jeffers Elementary School.
• $298,518 was used for architect fees and geotechnical study for a proposed future school at Village 2 Site 2.
• $993,516 was used to pay the cost of issuance for the 2021 COPs and 2021 Refunding COPs and to purchased additional surety insurance for the 2020 COP.
• $330,250 was used for other projects and to pay the cost of collecting taxes and other administrative expense.

**Summary of Annual Revenues and Expenditures**

On September 26, 2002, the Governor signed legislation known as Assembly Bill 2851, Chapter 960, an act to add Sections 53343.1 and 53344.4 to the Government Code relating to CFDs. This legislation requires that for CFDs formed after January 1, 1992, (a) an annual report be prepared identifying the amount of special taxes collected along with associated interest earnings and how such revenues are expended, and (b) a certification and explanation by the district of how the moneys described in subdivisions (d), (e), (f), and (g) comply with Section 53343 and that this annual report be made available to the public within 120 days of the end of the fiscal year. In order to comply with the requirements of AB 2851, incorporated in this annual report is a summary of annual revenues and expenditures (Attachment A) and a certification of compliance (Attachment B). An annual report for each of the CFDs in CVESD is on file in the Office of the Deputy Superintendent.

GOVERNING BOARD AGENDA ITEM

Prepared by: Business Services and Support

ITEM TITLE:

Approve Annual Report on Statutory Fees and Mitigation Payments for Fiscal Year 2021-22, and Five-Year Report for Fiscal Years 2017-18 Through 2021-22

X Action Information

BACKGROUND INFORMATION:

Government Code Section 66006 addresses the collection of developers’ fees and requirements for agencies collecting those fees. The Board of Education is required to review this information annually at a regularly scheduled meeting. Section 66006 requires an annual report that includes:

- Description of the types of reportable fees.
- Amounts of reportable fees.
- Beginning and ending balances.
- Amount of reportable fees collected.
- Identification of improvements.
- Identification of incomplete projects.
- Description of inter-fund transfers.
- Refunds of reportable fees.

In addition, Government Code Section 66001 required a five-year report that includes:

- Identification of the purpose for which reportable fees are to be used.
- Demonstration of the reasonable relationship between reportable fees and the purpose for which they are charged.
- Identification of all sources and amounts of funding anticipated to complete financing of school facilities the District has identified in the District’s reports and the designation of the approximate date on which this funding is expected to be deposited in the appropriate account.
ADDITIONAL DATA:

The District’s report for the year ending June 30, 2022, is attached. Detailed financial information is available for review in the Office of the Deputy Superintendent.

FISCAL IMPACT/FUNDING SOURCE:

None.

STAFF RECOMMENDATION:

Recommend approval.
Government Code Section 66006 provides that the District shall make available to the public certain information relative to statutory school fees (“Statutory School Fees”) collected pursuant to Education Code Section 17620, et seq., and Government Code Section 65995, et seq., and mitigation payments specified or required by conditions of legislative land-use approvals, mitigation measures of environmental impact reports and negative declarations, or mitigation agreements entered into with the District (“Mitigation Payments”), collectively “Reportable Fees.” The described information and findings relate to Reportable Fees received, expended, or to be expended in connection with school facilities (“School Facilities”) to accommodate additional students from new development if funded or partially funded with Reportable Fees. The Reportable Fees do not include letters of credit, bonds, or other instruments to secure payment of Reportable Fees at a future date. The Reportable Fees have not been levied, collected, or imposed for general revenue purposes.

The District proposes to review and adopt the following information and findings in accordance with Government Code Section 66006.

ANNUAL REPORT

In accordance with Government Code Section 66006(b)(1) and (2), the District provides the following information for fiscal year 2021-22.

A. DESCRIPTION OF THE TYPES OF REPORTABLE FEES IN THE ACCOUNTS OF THE DISTRICT

The Reportable Fees consist of Statutory School Fees and Mitigation Payments.

B. AMOUNT OF REPORTABLE FEES

The Statutory School Fee in effect for the fiscal year ending June 30, 2022, applicable to new residential development was $1.80 per square foot of assessable space for all residential dwelling units constructed within the District and for which alternative mitigation did not exist. This residential fee amount (Level I) has been in effect since July 27, 2020. The residential Statutory School Fee amount was adopted by the Board of Education (“Board”) of the District on May 27, 2020, by Resolution No. 2019-20.106.

The current Statutory School Fee in effect for the fiscal year ending June 30, 2022, applicable to new commercial/industrial development was $.29 per square foot of covered and enclosed, nonresidential space constructed within the District. This nonresidential fee amount (Level I) has been in effect since
July 27, 2020. The nonresidential Statutory School Fee amount was adopted by the Board on May 27, 2020, as set forth in Resolution No. 2019-20.106.

The Statutory School Fee amounts only partially mitigate the impacts to the District caused by new residential development because the Statutory School Fees do not adequately fund the school facility needs resulting from additional development within the District. Additional amounts collected in the form of Mitigation Payments are essential to help fund interim and permanent School Facilities to accommodate students from additional development within the District.

E. IDENTIFICATION OF EACH IMPROVEMENT ON WHICH REPORTABLE FEES WERE EXPENDED AND THE AMOUNT OF THE EXPENDITURES ON EACH IMPROVEMENT, INCLUDING THE TOTAL PERCENTAGE OF THE COST OF EACH PROJECT OF THE DISTRICT THAT WAS FUNDED WITH REPORTABLE FEES

The statutory fees collected from new development projects are largely used to pay for the cost of expanding student capacity at many of the District’s existing schools through the lease or purchase of relocatable classrooms. These additional facilities provide increased capacity that serves the student
population of the District. Some additional mitigation fee payments collected from development within CFD No. 1 are currently designated to pay for a portion of debt service due on outstanding bonds, which were issued to pay for the construction of new school facilities. Table 3 identifies the amount of Reportable Fees expended for School Facilities in fiscal year 2021-22 as well as the percentage of each improvement funded by Reportable Fees.

#### F. IDENTIFICATION OF INCOMPLETE PROJECTS

The District will use some of the Reportable Fees in Fund 25-18 to pay for a portion of the relocatable classrooms at school sites as part of its expansion efforts.

#### G. DESCRIPTION OF INTERFUND TRANSFERS OR LOANS MADE FROM THE ACCOUNT

A portion of the Reportable Fees collected from CFD No. 1 accumulated from previous years may be used to pay a portion of debt service due on outstanding bonds and/or COPs issued, in part, to provide for new school facilities to serve the developments located within CFD No. 1.

#### H. THE AMOUNT OF REFUNDS MADE OR REVENUES ALLOCATED FOR OTHER PURPOSES IF THE ADMINISTRATIVE COSTS OF REFUNDING UNEXPENDED REVENUES EXCEED THE AMOUNT TO BE REFUNDED

No refunds of Reportable Fees were made in fiscal year 2021-22.
FIVE-YEAR REPORT

In accordance with Government Code Section 66001, the District provides the following information with respect to that portion of the account or sub-account(s) remaining unexpended, whether committed or uncommitted.

A. IDENTIFICATION OF THE PURPOSE TO WHICH THE REPORTABLE FEES ARE TO BE PUT:

The purpose of the Reportable Fees imposed and collected on new residential, commercial and industrial development within the District is to fund additional School Facilities required to serve the students of the District generated by such new development. Specifically, the Reportable Fees will be used for the construction and/or acquisition of additional School Facilities, remodeling existing School Facilities to add additional classrooms and technology, as well as acquiring and installing additional relocatable classrooms.

B. DEMONSTRATION OF A REASONABLE RELATIONSHIP BETWEEN THE REPORTABLE FEES AND THE PURPOSES FOR WHICH THEY ARE CHARGED:

There is a roughly proportional, reasonable relationship between the new development upon which the Reportable Fees are charged and the need for additional School Facilities by reason of the fact that additional students will be generated by additional development within the District and the District does not have student capacity in the existing School Facilities to accommodate these new students. Furthermore, the Reportable Fees charged on new development will be used to fund School Facilities, which will serve the students generated from new development, and the Reportable Fees do not exceed the costs of providing such School Facilities for new students.

C. IDENTIFICATION OF ALL SOURCES AND AMOUNTS OF FUNDING ANTICIPATED TO COMPLETE FINANCING OF THE SCHOOL FACILITIES THE DISTRICT HAS IDENTIFIED IN THE DISTRICT’S REPORTS:

Table 4 identifies all funding received and allocated to capital facilities projects during the past five years. These revenues have been summarized to reflect funds received which may be classified as reportable fees as they are described in Government Code Section 66001 and 66006. These amounts include statutory fees (Level I and Level II fees) as well as monies received from redevelopment areas in accordance with the redevelopment agreement with the City of Chula Vista.
Revenues shown under “Other Funding Sources” include, but may not be limited to bond proceeds from the issuance of general obligation bonds, certificates of participation (COPs) proceeds, and interest from the qualified zone academy bonds (QZABs) guaranteed investment contract.

D. DESIGNATION OF THE APPROXIMATE DATE ON WHICH THE FUNDING REFERRED TO IN PARAGRAPH “C” ABOVE IS EXPECTED TO BE DEPOSITED IN THE APPROPRIATE ACCOUNT:

Table 6 below lists the approximate dates on which the funds are expected to be available for the School Facility projects identified by the District as of June 30, 2022 to be funded from reportable fees as well as from “other funding sources”. This does not represent a complete list of capital facilities projects to be funded during the next five years. Rather it demonstrates that all unexpended reportable fees are expected to be expended within the next 18 months. The remaining reportable fees will be used for construction, acquisition, and expansion of school facilities generated by new development upon which Reportable fees are charged.

(1) Waive Minor Irregularity in Low Bid and Reject Protest of Low Bid for Prime Bid Package No. 8 Roofing and Sheetmetal for the Construction of New School No. 48 at Otay Ranch Village 2, Site 2;

(2) Reject All Bids for Prime Bid Package No. 7 for the Construction of New School No. 48 at Otay Ranch Village 2, Site 2, and Direct Staff to Re-advertise and Rebid a Modified Prime Bid Package No. 7; and

(3) Approve Award of Contracts for Prime Bid Package Nos. 1 Through 6 and 8 Through 16 to Various Contractors in the Total Amount of $52,304,774.50 for the Construction of New School No. 48 at Otay Ranch Village 2, Site 2, Contingent on Close of Escrow on Site 2

X Action Information

BACKGROUND INFORMATION:

On October 16, 2019, the Board of Education authorized the District to enter into an agreement with Balfour Beatty Construction for preconstruction and construction management services in connection with the construction of a new elementary school within Village 2 of Otay Ranch (School No. 48).

On August 19, 2022, and August 26, 2022, Balfour Beatty Construction published public notices seeking bids for sixteen bid packages in The Star News and emailed it to the Construction Trade Journals. In addition, a notice was posted on the District website. A total of 43 bids were opened on September 22, 2022. The District intends that construction of School No. 48 will commence on November 1, 2022, and will be substantially complete by June 1, 2024.

At this time, the District has not yet closed escrow on the property that is the site for School No. 48. However, the District believes that close of escrow will occur within the next 90 days, and the bid documents for School No. 48 provide that bids may not be withdrawn for a period of 90 days. In order to expedite the
commencement of construction, the District is seeking approval for award of the contracts for construction of School No. 48 contingent upon close of escrow.

Following receipt of bids, the District received a protest by Letner Roofing Co. (“Letner”) of the bid submitted by A. Preman Roofing, Inc., (“Preman”) for Prime Bid Package No. 8, Roofing and Sheetmetal. Preman erroneously entered an amount for an allowance that was different from the amount “pre-specified” in the bid documents. Because Preman entered the same base bid amount (i.e., bid amount without allowance) in two separate places in its bid, and because Preman’s total bid equaled its base bid amount plus the allowance “pre-specified” in the bid documents, the mistake did not make Preman’s bid different from what Preman intended. Therefore, the District requests that the Board take action to waive the error in Preman’s bid as a minor irregularity and, on that basis, deny the protest by Letner.

The District received two bids for Prime Bid Package No. 7 (Finish Carpentry) from responsive, responsible contractors. However, the District desires to modify Prime Bid Package No. 7 to provide for installation of metal casework consistent with the District’s current standards. Because there will be a significant amount of time before the finish carpentry portion of the School No. 48 work can commence, the District does not anticipate any adverse impacts on the schedule for construction of School No. 48. Therefore, District staff requests that the Board reject all bids for Prime Bid Package No. 7 and thereafter direct and authorize staff to modify, re-advertise and re-bid Prime Bid Package No. 7.

Prior to the bid opening, it was determined the award of contracts would, in each case, be based on the lowest Total Bid Amount, which includes any additive or deductive items. Exhibit A attached hereto specifies the original engineering estimates and the bids received for each Prime Bid Package, as well as the responsible bidder with the lowest bid price. With respect to Prime Bid Packages 1 through 6 and 8 through 16, the District requests that the Board accept the bids from, in each case, the responsive, responsible bidder with the lowest bid price, as specified in Exhibit A hereto, and authorize District staff to award contracts to those bidders contingent upon close of escrow on the site for School No. 48.

**ADDITIONAL DATA:**

Bid documents are available for review in the Office of the Deputy Superintendent. In the event that a bid is deemed non-responsive or duly withdrawn by the respective contractor, the next lowest bid will be substituted.
FISCAL IMPACT/FUNDING SOURCE:

Funding will be provided from Community Facilities District (CFD) and/or Capital funds.

STAFF RECOMMENDATION:

Recommend approval.

GOVERNING BOARD AGENDA ITEM

Item Title:

Approve Agreement with Viejas Band of Kumeyaay Indians for Cultural Resource Monitoring during Construction of New Elementary School in Otay Ranch Village 2

X Action

Information

Background Information:

On October 16, 2019, the Board of Education authorized the Chula Vista Elementary School District to undertake efforts to plan, design, and construct a new elementary school at Otay Ranch Village 2, Site 2 (School No. 48). On September 14, 2022, the Board approved an agreement for purchase of a second site in Otay Ranch Village 2 for construction of School No. 48 (Site 2), and the District anticipates that it will close escrow on Site 2 in time for construction to commence in November 2022.

In connection with approval of Site 2 by the California Department of Toxic Substances Control (“DTSC”), the Viejas Band of Kumeyaay Indians (“Viejas”) requested through DTSC that the District contract with Viejas for monitoring of the ground-disturbing activities associated with construction of School No. 48, in order to ensure appropriate treatment of Native American human remains, grave goods, ceremonial items, and other cultural artifacts that may be discovered during construction (“Cultural Resource Monitoring”). The Agreement for Cultural Resource Monitoring defines “ground-disturbing activities” generally as grading, excavating, trenching, scraping, tilling, and similar work, with certain limited exceptions for work in areas in which grading or similar work previously occurred. Upon discovery of human remains or cultural artifacts, the Viejas monitor will have the authority to temporarily halt construction in the area of the discovery, as necessary to implement statutory procedures for documentation and recovery of the remains or artifacts. The District presently anticipates that there will be 45 days during construction of School No. 48 on which ground-disturbing activities will occur, although that will be subject to change as the construction progresses and adjustments are made to the construction schedule.
**ADDITIONAL DATA:**

A copy of the Agreement for Cultural Resource Monitoring is available for review in the office of the Deputy Superintendent.

**FISCAL IMPACT/FUNDING SOURCE:**

The District will pay Viejas $54.15 per hour for the Cultural Monitoring Services, plus mileage reimbursed at the then-current rate published by the U.S. General Services Administration (presently $0.625 per mile for private automobiles), provided that: (i) there is a four hour minimum for each day that the tribal monitor is present during construction; and (ii) the hourly rate will be time-and-a-half for Cultural Monitoring Services in excess of 40 hours per work week. As an example, 45 days of Cultural Resource Monitoring at 8 hours per day, would cost approximately $20,000 in hourly-rate charges. Funding will be provided from Community Facilities District and Capital funds.

BACKGROUND INFORMATION:

Education Code Section 45103, subdivision (d)(2), authorizes the District to employ short-term classified employees to provide service to the District that, upon the completion of that service or similar service, will not be extended or needed on a continuing basis. Prior to employing a short-term classified employee, the Board of Education, at a regularly scheduled meeting, must specify the service to be performed by the employee and certify the ending date of that service. The ending date may be shortened or extended by the Board but shall not exceed 75 percent (195 working days) of the school year.

The District has a need for four short-term classified Payroll Specialists to provide support to Payroll in the form of clerical support and salary reporting revisions based on CalPERS Audit spanning from 2015-16 fiscal year to present. All short-term classified employees are needed between October 24, 2022, and June 30, 2023. The services or similar services performed by the short-term employees will not be extended or needed on a continuing basis.

RESOLUTION NO. __________

Resolution Regarding Short-Term Classified Employees to Perform Specified Service for the Period of October 24, 2022, Through June 30, 2023

On motion of Member ____________________, seconded by Member ____________________, the following resolution is adopted:

WHEREAS, pursuant to Education Code Section 45103, the Board of Education of the Chula Vista Elementary School District may employ short-term classified employees to provide service to the District that, upon the completion of that service or similar service, will not be extended or needed on a continuing basis. Prior to employing a short-term classified employee, the Board, at a regularly scheduled meeting, must specify the service to be performed by the employee and certify the ending date of that service. The ending date may be shortened or extended by the Board, but shall not exceed 75 percent (195 working days) of the school year; and

WHEREAS, the District has a need for four short-term classified Payroll Specialists to provide support to Payroll in the form of clerical support and salary reporting revisions between October 24, 2022, and June 30, 2023, as a result of a California Public Employees Retirement System audit and certain actions required as a result of that audit. This service or similar services will not be extended or needed on a continuing basis.

NOW, THEREFORE, BE IT RESOLVED that the above-described short-term classified employees shall be employed to provide the above-noted service between October 24, 2022, and June 30, 2023.

BE IT FURTHER RESOLVED and certified that the short-term classified employees described above shall be employed on or after October 24, 2022 and complete their assignments on June 30, 2023.

BE IT FURTHER RESOLVED that the Board hereby authorizes the Superintendent or designee to take such action necessary to implement this resolution.

ITEM TITLE:

(1) Conduct Public Hearing on a General Waiver Request to Provide a Reduced-Day Extended School Year Program from June 7 Through June 28, 2023; and

(2) Authorize Application for the General Waiver Request

X Action

Information

BACKGROUND INFORMATION:

The District wishes to apply for a General Waiver Request to the California Department of Education to modify the mandated 20-day extended school year (ESY) for students enrolled in special education. The waiver will allow the District to provide a 15-day program from June 7 through June 28, 2023. California Code of Regulations, Title 5, Section 3043(d) requires students in Kindergarten through Grade 6 to be provided a minimum of 80 instructional hours of ESY, and students in preschool to be provided a minimum of 60 instructional hours of ESY. Traditional ESY programs are 20 days long. Since the District operates a year-round school year calendar, the number of weeks available to offer an ESY program is limited. By offering a reduced program, the District has higher student participation. The 15-day program provides the required number of instructional hours over fewer instructional days.

ADDITIONAL DATA:

Additional Information is available for review in the Office of the Executive Director of Special Education and Instruction Services and Support.

FISCAL IMPACT/FUNDING SOURCE:

Funding will be provided from Special Education resources. Reduced expenses are anticipated due to decreased operational and transportation costs.

RECOMMENDATION:

Recommend conduct public hearing and authorization.

GOVERNING BOARD AGENDA ITEM

Prepared by: Business Services and Support

ITEM TITLE:

Adopt Resolution Authorizing the Execution and Delivery of the Chula Vista Elementary School District 2022 Refunding Certificates of Participation, Series A, in an Aggregate Principal Amount Not to Exceed $20,000,000, Authorizing the Distribution of an Official Statement in Connection Therewith, and Authorizing the Execution of Various Documents and Related Actions

X Action Information

BACKGROUND INFORMATION:

On January 23, 2013, the Board of Education (Board) authorized the execution and delivery of the Chula Vista Elementary School District 2013 Refunding Certificates of Participation, Series A (“Prior COPs”), which were subsequently issued on April 3, 2013. Based on analyses with District financial advisor Dale Scott & Company (“DS&C”), the Prior COPs are positioned for refunding. The District now seeks the Board’s authorization for the execution and delivery of not to exceed $20,000,000 of refunding COPs (the “Refunding COPs”) (i) to refund all or a portion of the District’s outstanding Prior COPs, and (ii) to pay costs of issuance of the Refunding COPs. It is expected that the Refunding COPs will be sold publicly through the use of an underwriter; however, if market conditions warrant, then the Resolution authorizes the District to privately place the Refunding COPs with one or more lenders instead.

ADDITIONAL DATA:

DS&C will provide financial advisory services, and Stradling Yocca Carlson & Rauth (“Stradling”) will provide bond and disclosure counsel services. A three-year agreement with DS&C was approved by the Board on August 10, 2022, and a two-year agreement with Stradling was approved in 2021.
FISCAL IMPACT/FUNDING SOURCE:

This refunding is expected to generate an estimated savings of $343,321, or percentage present value savings of 1.58%. The Refunding COPs are expected to be repaid through locally collected special taxes. This refunding will reduce aggregate debt service payments and will not increase the term of the outstanding Prior COPs. Though the present value savings are lower than what is recommended by the District’s Debt Management Policy, staff recommends that the District proceed with the execution and delivery of the Refunding COPs because the present value savings will likely only decrease in the future. Given recent increases in market interest rates, this refunding may not be feasible at pricing time. However, the Board is being asked to approve issuance of the Refunding COPs with the understanding that market interest rates must return to a level in which the above stated savings can be achieved before this transaction can occur. DS&C will continue to monitor market conditions in order to determine when a feasible refunding may proceed. The District will incur no costs if the refunding does not proceed.

STAFF RECOMMENDATION:

Recommend adoption.
On motion of Member ____________________, seconded by Member ____________________, the following resolution is adopted:

WHEREAS, the Chula Vista Elementary School District (the “District”) is a school district duly organized and existing under and pursuant to the Constitution and laws of the State of California (the “State”);

WHEREAS, to prepay the 2013 Certificates on a current basis, the District now desires to authorize the execution and delivery of the Chula Vista Elementary School District 2022 Refunding Certificates of Participation, Series A (the “Certificates”) pursuant to a Trust Agreement (the “Trust Agreement”), by and among the District, the Chula Vista Elementary School District Public Facilities Financing Corporation (the “Corporation”) and U.S. Bank Trust Company, National Association (the “Trustee”);

WHEREAS, a form of Certificate Purchase Agreement (the “Purchase Agreement”) relating to the Certificates has been prepared whereby the District will sell the Certificates to an underwriter that is selected by the Superintendent of the District (the “Underwriter”), in accordance with Section 7 below;

WHEREAS, Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended ("Rule 15c2-12"), requires that, in order to be able to purchase or sell the Certificates, the Underwriter thereof must have reasonably determined that the District has undertaken in a written agreement or contract for the benefit of the holders of the Certificates to provide disclosure of certain financial information and certain enumerated events on an ongoing basis;

WHEREAS, in order to allow the Underwriter to comply with Rule 15c2-12, the District proposes to enter into a Continuing Disclosure Certificate (the "Continuing Disclosure Certificate");

WHEREAS, a form of the Preliminary Official Statement (the “Preliminary Official Statement”) to be distributed in connection with the public offering of the Certificates has been prepared;

WHEREAS, the District has complied with Education Code Section 17150.1 in connection with the Lease Agreement and the related Certificates by providing the required notices and supporting information to the Auditor-Controller and Superintendent of Schools of the County of San Diego;

WHEREAS, in accordance with Government Code Section 5852.1, there has been presented to this Board and disclosed to the public certain good faith estimates provided to the District by Dale Scott & Company, Inc., its municipal advisor (the “Municipal Advisor”) with respect to the Certificates, which are attached as Exhibit A hereto, and the requirements of Section 5852.1 have been satisfied; and

WHEREAS, all acts, conditions and things required by the Constitution and laws of the State of California to exist, to have happened and to have been performed precedent to and in connection with the consummation of the actions authorized hereby do exist, have happened and have been performed in regular and due time, form and manner as required by law, and the District is now duly authorized and empowered, pursuant to each and every requirement of law, to consummate such actions for the purpose, in the manner and upon the terms herein provided;

NOW, THEREFORE, this Board hereby ORDERS, RESOLVES, and DETERMINES, as follows:

SECTION 1. Recitals. All of the recitals herein contained are true and correct and the Board so finds.

SECTION 2. Approval of Site Lease. The form of the Site Lease, on file with the Clerk of the Board, is hereby approved, and each of the President of the Board, and such other members of the Board as the President may designate, the Superintendent of the District, the Deputy Superintendent of the District, the Director of Fiscal Services of the District, and such other officers or employees of the District as the Superintendent may designate (collectively, the “Authorized Officers”), acting alone, is hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Site Lease in substantially said
form, with such changes therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.

SECTION 3. Approval of Lease Agreement. The form of the Lease Agreement, on file with the Clerk of the Board, is hereby approved, and each of the Authorized Officers, acting alone, is hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Lease Agreement in substantially said form, with such changes therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that the aggregate amount of the principal components of the lease payments payable under the Lease Agreement shall not exceed $20,000,000, the term of the Lease Agreement shall end on or before September 1, 2028 (provided that such term may be extended as provided therein), the prepayment of the 2013 Certificates being prepaid will result in positive net present value savings, as calculated by the District’s Municipal Advisor, and the rate applicable to the interest components of the lease payments payable under the Lease Agreement shall not exceed 12% per annum. The Property to be leased under the Site Lease and the Lease Agreement shall consist of the Hedenkamp Elementary School and the Heritage Elementary School, and/or such other or additional school sites and facilities of the District as are selected by the Superintendent and are determined by such official to have an annual fair rental value at least equal to the annual lease payments to be made under the Lease Agreement. The Board hereby determines that the lease payments due under the Lease Agreement in each fiscal year are reasonable and will not exceed the fair rental value of the Property to the District in each fiscal year and that each individual lease payment will be accompanied by consideration received by the District corresponding to that payment.

SECTION 4. Approval of Trust Agreement. The form of Trust Agreement, on file with the Clerk of the Board, is hereby approved, and each of the Authorized Officers, acting alone, is hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Trust Agreement in substantially said form, with such changes therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.
SECTION 5. Bond Insurance. Each of the Authorized Officers, acting alone, is hereby authorized (a) to solicit bids on a municipal bond insurance policy and a reserve fund surety policy, (b) to negotiate the terms of such policies, (c) to finalize the form of such policies with a municipal bond insurer (the "Insurer"), (d) to pay the insurance premium of such policies from the proceeds of the sale of the Certificates, and (e) to make any changes to the agreements approved herein as are necessary to satisfy the terms of the commitments for such policies provided by the Insurer.

SECTION 6. Approval of Execution and Delivery of Certificates of Participation. The execution and delivery of the Certificates by the Trustee evidencing principal in an aggregate amount not to exceed $20,000,000, payable in the years and in the amounts, and evidencing interest as specified in the Trust Agreement as finally executed, are hereby authorized and approved.

SECTION 7. Terms and Conditions of Sale; Approval of Certificate Purchase Agreement. The Superintendent is hereby authorized to select the Underwriter and the Certificates shall be sold as a negotiated sale to the Underwriter once selected. The form of the Purchase Agreement on file with the Clerk of the Board, is hereby approved and each of the Authorized Officers, acting alone, is hereby authorized and directed to approve, execute and deliver such Purchase Agreement, in substantially said form, with such changes therein as the Authorized Officer executing the same may require or approve, with such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that the Underwriter’s discount, excluding original issue discount or premium on the Certificates, shall not exceed 0.70% of the aggregate of principal amount of Certificates sold pursuant to the Purchase Agreement. Each Authorized Officer is further authorized to determine the principal amount of the Certificates to be sold pursuant to the Purchase Agreement, up to $20,000,000.

SECTION 8. Approval of Continuing Disclosure Certificate. The form of Continuing Disclosure Certificate, on file with the Clerk of the Board, is hereby approved, and each of the Authorized Officers, acting alone, is hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Continuing Disclosure Certificate in substantially said form, with such changes therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.
SECTION 9. Approval of Preliminary Official Statement. The form of Preliminary Official Statement, on file with the Clerk of the Board, with such changes therein as may be approved by an Authorized Officer as necessary to deem the Preliminary Official Statement final as of its date for purposes of Rule 15c2-12, is hereby approved, and the use of the Preliminary Official Statement in connection with the offering and sale of the Certificates is hereby authorized and approved. Each of the Authorized Officers, acting alone, is hereby authorized to certify on behalf of the District that the Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12).

SECTION 10. Approval of Official Statement. The preparation and delivery of an Official Statement, and its use by the Underwriter in connection with the offering and sale of the Certificates, is hereby authorized and approved. The Official Statement shall be in substantially the form of the Preliminary Official Statement with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the delivery thereof to the Underwriter. The Authorized Officers are each hereby authorized and directed, for and in the name of and on behalf of the District, to execute the final Official Statement and any amendment or supplement thereto deemed necessary by and Authorized Officer to make the Official Statement, as amended or supplemented, accurate and thereupon to cause the final Official Statement and any such amendment or supplement to be delivered to the Underwriter.

SECTION 11. Approval of Escrow Agreement. The form of the Escrow Agreement, on file with the Clerk of the Board, is hereby approved, and each of the Authorized Officers, acting alone, is hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Escrow Agreement in substantially said form, with such changes therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.

SECTION 12. Potential for Private Placement. In the event that the Superintendent or Deputy Superintendent of the District determines that a direct placement of the Certificates with a lender, or a directly placed lease with a lender, would be more beneficial to the District than a negotiated sale of the Certificates to the Underwriter, then the Authorized Officers are authorized to take any actions and make any changes to the documents herein approved, and to execute any additional documents as needed, in order to effect such a direct placement. In the event that the District decides to proceed with a direct placement, each of the
Authorized Officers is hereby authorized to select a lender for such private placement and engage any professional services needed to effect such direct placement, in accordance with Section 15, below.

SECTION 13. Official Action. Each of the Authorized Officers, acting alone, is hereby authorized and directed to do any and all things and to execute any and all certificates and agreements not inconsistent with the provisions hereof which they may deem necessary or advisable in order to consummate the transactions herein authorized and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, including, but not limited to, taking any actions and executing any documents necessary to unencumber the Property.

SECTION 14. Prior Actions. All actions heretofore taken by the officers, employees and agents of the District with respect to the transactions set forth above are hereby approved, confirmed and ratified.

SECTION 15. Retention of Services. Each of the Authorized Officers is authorized to provide for all services necessary to effect the execution and delivery of the Certificates. Such services shall include, but are not limited to, obtaining legal services, municipal advisor services, trustee services and any other services deemed by an Authorized Officer to be appropriate and necessary to effect the execution and delivery of the Certificates. Any one of the Authorized Officers is authorized to pay for the cost of such services, together with other costs of issuance for the Certificates, from the proceeds of the Certificates, and to execute and any all agreements required to obtain such services.

SECTION 16. Waiver of Noncompliance with Debt Policy. Notwithstanding the fact that the execution and delivery of the Certificates is not expected to produce net present value savings of at least 5%, as required by Section 4(f)(i) of the District’s Debt Management Policy, the Board hereby finds that the execution and delivery of the Certificates is in the best interests of the District because it will still produce positive net present value savings and it is likely that waiting to issue refunding certificates in the future will result in lower net present value savings. Therefore, in accordance with Section 6 of the District’s Debt Management Policy, the Board hereby waives the minimum savings threshold requirement of the Debt Management Policy.

SECTION 17. Good Faith Estimates. In accordance with Government Code section 5852.1, good faith estimates of the following have been obtained from the Municipal Advisor and presented at the meeting at which this resolution is adopted: (a) the true interest cost of the Certificates, (b) the sum of all fees and

charges paid to third parties with respect to the Certificates, including an estimate of the costs of issuance, (c) the amount of proceeds of the Certificates expected to be received net of the fees and charges paid to third parties and any reserves or capitalized interest paid or funded with proceeds of the Certificates, and (d) the sum total of all debt service payments on the Certificates calculated to the final maturity of the Certificates plus the fees and charges paid to third parties not paid with the proceeds of the Certificates. The good faith estimates are set forth in Exhibit A hereto and incorporated herein by reference, and the Board finds and determines on the basis of the information set forth in Exhibit A that the provisions of Government Code section 5852.1 have been satisfied with respect to the authorization of the Certificates.

SECTION 18. Effective Date. This Resolution shall take effect immediately upon its passage and adoption.

GOOD FAITH ESTIMATES

The good faith estimates set forth herein are provided with respect to the Certificates in accordance with California Government Code Section 5852.1. Such good faith estimates have been provided to the District by Dale Scott & Company, Inc. (the District’s “Municipal Advisor”).

**Principal Amount.** The Municipal Advisor has informed the District that, based on the District’s financing plan and current market conditions, its good faith estimate of the aggregate principal amount of the Certificates to be sold is $18,455,000 (the “Estimated Principal Amount”), exclusive of net premium. Net premium is generated when, on a net aggregate basis for a single issuance of certificates, the price paid for the certificates is higher than the face value of such certificates.

**True Interest Cost of the Certificates.** The Municipal Advisor has informed the District that, assuming that the Estimated Principal Amount of the Certificates is sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the true interest cost of the Certificates, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the Certificates, is 2.58%.

**Finance Charge of the Certificates.** The Municipal Advisor has informed the District that, assuming that the Estimated Principal Amount of the Certificates is sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the finance charge for the Certificates, which means the sum of all fees and charges paid to third parties (including costs of issuance associated with the Certificates), is $326,628.

**Amount of Proceeds to be Received.** The Municipal Advisor has informed the District that, assuming that the Estimated Principal Amount of the Certificates is sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the amount of proceeds expected to be received by the District for sale of the Certificates, less the finance charge of the Certificates, as estimated above, and any reserves or capitalized interest paid or funded with proceeds of the Certificates, is $19,338,811.

**Total Payment Amount.** The Municipal Advisor has informed the District that, assuming that the Estimated Principal Amount of the Certificates is sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the total payment amount, which means the sum total of all payments the District will make to the principal and interest with respect to the Certificates, plus the finance charge, if any, for the Certificates, as described above, not paid with the proceeds of the Certificates, calculated to the final maturity of the Certificates, is $20,965,318.
ITEM TITLE:

Adopt Resolution Authorizing the Issuance of Chula Vista Elementary School District (San Diego County, California) 2022 General Obligation Refunding Bonds, Series A, in a Principal Amount Not to Exceed $8,500,000, and Approving Certain Other Matters Related Thereto

X Information

BACKGROUND INFORMATION:

On April 10, 2012, the Board of Education authorized the issuance of the Chula Vista Elementary School District 2012 General Obligation Refunding Bonds (Election of 1998) ("Prior Bonds"), which were subsequently issued on June 14, 2012. Based on analyses with District financial advisor Dale Scott & Company ("DS&C"), the Prior Bonds are well positioned for refunding. The District now seeks the Board’s authorization for the issuance of not to exceed $8,500,000 of refunding bonds (the “Refunding Bonds”) (i) to refund all or a portion of the District’s outstanding Prior Bonds, and (ii) to pay costs of issuance of the Refunding Bonds. It is expected that the Refunding Bonds will be sold publicly through the use of an underwriter; however, if market conditions warrant, then the Resolution authorizes the District to privately place the Refunding Bonds with one or more lenders instead.

ADDITIONAL DATA:

DS&C will provide financial advisory services, and Stradling Yocca Carlson & Rauth ("Stradling") will provide bond and disclosure counsel services. A three-year agreement with DS&C was approved by the Board on August 10, 2022, and a two-year agreement with Stradling was approved in 2021.
**FISCAL IMPACT/FUNDING SOURCE:**

This refunding is expected to generate an estimated savings of $271,708, or percentage present value savings of 3.14% for the District’s taxpayers. This refunding will reduce aggregate property taxes and will not increase the term of the outstanding Prior Bonds. Though the present value savings are lower than what is recommended by the District’s Debt Management Policy, staff recommends that the District proceed with the issuance of the Refunding Bonds because the present value savings will likely only decrease in the future. Given recent increases in market interest rates, this refunding may not be feasible at pricing time. However, the Board is being asked to approve issuance of the Refunding Bonds with the understanding that market interest rates must return to a level in which the above stated savings can be achieved before this transaction can occur. DS&C will continue to monitor market conditions in order to determine when a feasible refunding may proceed. The District will incur no costs if the refunding does not proceed.

**STAFF RECOMMENDATION:**

Recommend adoption.

On motion of Member ___________________, seconded by Member ___________________, the following resolution is adopted:

WHEREAS, a duly called election was held in the Chula Vista Elementary School District, San Diego County, State of California (hereinafter referred to as the “District”), on November 3, 1998 and thereafter canvassed pursuant to law; and

WHEREAS, at such election there was submitted to and approved by the requisite two-thirds of the qualified electors of the District a question as to the issuance and sale of general obligation bonds of the District for various purposes set forth in the ballot submitted to the voters, in the maximum principal amount of $95,000,000 payable from the levy of an ad valorem tax against the taxable property in the District (the “1998 Authorization”); and

WHEREAS, pursuant to the 1998 Authorization, the County of San Diego (the “County”) issued the $12,000,000 Chula Vista Elementary School District General Obligation Bonds, 1998 Election, Series E (the “Series E Bonds”) and $19,000,000 Chula Vista Elementary School District (County of San Diego, California) General Obligation Bonds, 1998 Election, Series F (the “Series F Bonds”); and

WHEREAS, on June 14, 2012, the District issued its Chula Vista Elementary School District (County of San Diego, California) 2012 General Obligation Refunding Bonds (Election of 1998) (the “Prior Bonds”) for the purpose of refunding the then outstanding Series E Bonds and Series F Bonds; and

WHEREAS, pursuant to Articles 9 and 11 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code, the District is authorized to issue refunding bonds to refund all or a portion of the outstanding Prior Bonds; and
WHEREAS, in accordance with Government Code Section 5852.1, there has been presented to this Board of Education and disclosed to the public certain good faith estimates provided to the District by its municipal advisor with respect to the Refunding Bonds (as described below), as set forth in Exhibit A hereto, and the requirements of Section 5852.1 have been satisfied;

WHEREAS, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of general obligation refunding bonds of the District, and the indebtedness of the District, including the proposed issue of refunding bonds, is within all limits prescribed by law;

NOW, THEREFORE, this Board hereby ORDERS, RESOLVES, and DETERMINES, as follows:

SECTION 1. Purpose of Bonds. To refund all or a portion of the outstanding Prior Bonds and to pay all necessary legal, financial, and contingent costs in connection therewith, the District authorizes the issuance of its 2022 General Obligation Refunding Bonds, Series A (the “Refunding Bonds”), in an amount not to exceed $8,500,000. The designated costs of issuing the Refunding Bonds authorized to be paid from the proceeds of the Refunding Bonds are all of the authorized costs of issuance set forth in Section 53550(e) and Section 53587 of the Government Code.

SECTION 2. Paying Agent. The Board hereby appoints the Paying Agent (as defined herein) to act as paying agent, bond registrar, authentication agent and transfer agent for the Refunding Bonds on behalf of the District. The Board hereby authorizes the payment of the reasonable fees and expenses of the Paying Agent, as they shall become due and payable. The fees and expenses of the Paying Agent which are not paid as a cost of issuance of the Refunding Bonds may be paid in each year from ad valorem property taxes levied and collected for the payment thereof, insofar as permitted by law, including specifically Section 15232 of the Education Code.

SECTION 3. Terms and Conditions of Sale. Pursuant to Government Code Section 53583(c)(1) the Refunding Bonds shall be sold at a negotiated sale upon the direction of the District Superintendent or the Deputy Superintendent of the District. The Refunding Bonds shall be sold pursuant to the terms and conditions set forth in the Purchase Contract, as described below.
SECTION 4. Approval of Bond Purchase Contract. The Superintendent of the District (the “Superintendent”) is hereby authorized to select an underwriter (the “Underwriter”) to purchase the Refunding Bonds, and the form of the Purchase Contract (the “Purchase Contract”) by and between the District and the Underwriter, substantially in the form on file with the Clerk of the Board is hereby approved, and each of the Superintendent, the Deputy Superintendent of the District and such other officers or employees of the District as the Superintendent may designate in writing (each an “Authorized Officer” and, collectively, the “Authorized Officers”), acting alone, is hereby authorized and requested to execute and deliver the Purchase Contract, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the Purchase Contract may approve, such approval to be conclusively evidenced by the execution and delivery thereof by an Authorized Officer; provided, however, that the Underwriter’s discount, excluding original issue discount or premium on the Refunding Bonds, shall not exceed 0.80% of the aggregate of principal amount of Refunding Bonds issued and the Refunding Bonds shall be issued only if the total net interest cost to maturity on the Refunding Bonds plus the principal amount of the Refunding Bonds does not exceed the total net interest cost to maturity plus the principal amount of the Refunded Bonds and no Refunding Bond shall have a maturity later than the latest maturity date of the Refunded Bonds. Each Authorized Officer is further authorized to determine the specific maturities of the Prior Bonds to be refunded, the principal amount of the Refunding Bonds to be sold pursuant to the Purchase Contract, up to $8,500,000, and to enter into and execute the Purchase Contract with the Underwriter, if the conditions set forth in this Resolution are satisfied.

The Board hereby approves the sale of the Refunding Bonds at a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Refunding Bonds to fit the needs of particular purchasers, and a greater opportunity for the Underwriter to pre-market the Refunding Bonds to potential purchasers prior to the sale, all of which will contribute to the District’s goal of achieving the lowest overall cost of funds and the maximum savings from the refunding.
The estimates of the costs associated with the issuance of the Refunding Bonds, excluding compensation to the Underwriter, are expected to equal approximately $155,000 as set forth in Exhibit A. The Authorized Officers, acting alone, are further authorized to determine the principal amount of the Refunding Bonds to be specified in the Purchase Contract, provided that the aggregate principal amount of Refunding Bonds sold under this Resolution shall not exceed $8,500,000. The Purchase Contract with the Underwriter shall be executed by an Authorized Officer only if the conditions set forth in this Resolution are satisfied.

The terms of the Purchase Contract shall recite the aggregate principal amount of the Refunding Bonds being sold thereunder, and shall recite the date thereof, the maturity dates, principal amounts and annual rates of interest of each maturity thereof, the initial and semiannual interest payment dates thereof, and any terms of optional and mandatory sinking fund redemption thereof.

(a) **Denomination, Interest, Dated Dates.** The Refunding Bonds shall be issued in the denominations of $5,000 Principal Amount or any integral multiple thereof.

Each Refunding Bond shall be dated its Date of Issuance (or such other date designated in the Purchase Contract) and shall bear interest from the Bond Payment Date next preceding the date of authentication thereof unless it is authenticated as of a day during the period from the 16th day of the month next preceding any Bond Payment Date to that Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before the first Record Date, in which event it shall bear interest from its Date of Issuance (or such other date designated in the Purchase Contract); provided, however, that, if at the time of registration of any Refunding Bond interest with respect thereto is in default, interest with respect thereto shall be payable from the Bond Payment Date to which interest has previously been paid or made available for payment.

The Refunding Bonds shall be issued in fully registered form and shall mature in the years, be issued in the amounts and bear interest at the rates set forth in the Purchase Contract. Interest on the Refunding Bonds shall be computed on the basis of a 360 day year consisting of twelve 30 day months.

Principal and interest on the Refunding Bonds shall be paid in accordance with Section 9 below.

The last maturity date of the Refunding Bonds shall be not later than the date of the last maturity of the Refunded Bonds.

(b) **Redemption.**

(i) **Terms of Redemption.** The Refunding Bonds shall be subject to optional redemption and mandatory sinking fund redemption prior to maturity as provided in the Purchase Contract.

(ii) **Selection of Refunding Bonds for Redemption.** Whenever provision is made in accordance with this Resolution for the optional redemption of Refunding Bonds and less than all Outstanding Refunding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District, shall select one or more maturities of Refunding Bonds for redemption in accordance with such written instructions. Within a maturity, the Paying Agent
shall select Refunding Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Bond to be redeemed in part shall be in the Principal Amount of $5,000 or any integral multiple thereof.

In the event that a portion of any Term Bond is optionally redeemed pursuant to Section 6(b)(i) hereof, the remaining sinking fund payments shall be reduced in an amount equal to the principal amount of Term Bonds optionally redeemed as directed by the District or, if no such direction is provided, as nearly as practicable, on a pro rata basis, in integral multiples of $5,000.

(iii) Notice of Redemption. When redemption is authorized or required pursuant to Section 6(b)(i) hereof, the Paying Agent shall give notice (a “Redemption Notice”) of the redemption of the Refunding Bonds at least 20 but not more than 60 days prior to the redemption date (a) so long as the Refunding Bonds are registered in the name of the Nominee, in such manner as complies with the requirements of the Depository, and (b) if the Refunding Bonds are no longer held in book-entry form, by first class mail, postage prepaid to each Owner of the Refunding Bonds at the addresses appearing on the Bond Register. In the case of any optional redemption, the Paying Agent shall send a notice of redemption only following receipt of written instructions from the District to send such notice and specifying the maturity or maturities to be redeemed. Each Redemption Notice shall specify: (a) the Refunding Bonds or designated portions thereof (in the case of redemption of the Refunding Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Refunding Bonds to be redeemed, (f) the numbers of the Refunding Bonds to be redeemed in whole or in part and, in the case of any Refunding Bond to be redeemed in part only, the Principal Amount of such Refunding Bond to be redeemed, and (g) the original issue date, interest rate and stated maturity date of each Refunding Bond to be redeemed in whole or in part. Each Redemption Notice shall further state that on the specified date there shall become due and payable upon each Refunding Bond or portion thereof being redeemed the redemption price thereof, together with the interest accrued to the redemption date and that from and after such date, interest with respect thereto shall cease to accrue. Redemption Notices (and related notices) may state that no representation is made as to the accuracy or correctness of the CUSIP numbers printed thereon or on the Refunding Bonds.
In case of the redemption as permitted herein of all the Refunding Bonds of any one maturity then Outstanding, notice of redemption shall be given as herein provided, except that the Redemption Notice need not specify the serial numbers of the Refunding Bonds of such maturity.

Any Redemption Notice for an optional redemption of the Refunding Bonds delivered in accordance with this section may be conditional, and, if any condition stated in the Redemption Notice shall not have been satisfied on or prior to the redemption date: (i) the Redemption Notice shall be of no force and effect, (ii) the District shall not be required to redeem such Refunding Bonds, (iii) the redemption shall not be made, and (iv) the Paying Agent shall within a reasonable time thereafter give notice to the Owners in the manner in which the conditional Redemption Notice was given that such condition or conditions were not met and that the redemption was canceled.

Neither the failure to receive a Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the Refunding Bonds selected for redemption.

(iv) Additional Notice. In addition to the Redemption Notice given pursuant to Section 6(b)(iii), further notice shall be given by the Paying Agent as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if a Redemption Notice has been given as above prescribed.

Each further notice of redemption shall be sent at least thirty (30) days before the redemption date by registered or certified mail or overnight delivery service, or in such other manner as is approved by the recipient of such notice, to the Securities Depositories and to the Information Services; provided that, if the Securities Depositories are other than DTC and the Information Services are other than the Municipal Securities Rulemaking Board, the District shall designate the recipients in a written notice to the Paying Agent.

(v) Partial Redemption of Refunding Bonds. Upon the surrender of any Refunding Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Refunding Bond or Refunding Bonds of like tenor and maturity and of authorized denominations equal in Principal Amount to the unredeemed portion of the Refunding Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.
(vi) Effect of Notice of Redemption. Notice having been given in accordance with Section 6(b)(iii), and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the District’s Debt Service Fund (as defined in Section 12 below) or an escrow account as provided in Section 19 hereof, the Refunding Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Refunding Bonds to be redeemed as provided in Section 6(b) hereof, together with interest to such redemption date, shall be held in the Debt Service Fund or in an escrow account as provided in Section 19 hereof so as to be available therefor on such redemption date, and if a Redemption Notice shall have been given as herein provided, then from and after such redemption date, interest with respect to the Refunding Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Refunding Bonds shall be held in trust for the account of the Owners of the Refunding Bonds so to be redeemed.

Upon the payment of the redemption price of Refunding Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Refunding Bonds being redeemed with the proceeds of such check or other transfer.

All Refunding Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 6 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Refunding Bond purchased by the District shall be cancelled by the Paying Agent.

(vii) Refunding Bonds No Longer Outstanding. When any Refunding Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held by the Paying Agent or an escrow agent appointed by the District irrevocably in trust for the payment of the redemption price of such Refunding Bonds or portions thereof, and, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Refunding Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation on the applicable redemption date.
(c) **Book-Entry System.**

(i) Except as provided below, the registered owner of all of the Refunding Bonds shall be DTC, and the Refunding Bonds shall be registered in the name of Cede & Co., as nominee for DTC. The Refunding Bonds shall be initially executed and delivered in the form of a single, fully registered Refunding Bond (which may be typewritten) for each maturity date of such Refunding Bonds (or in the case of two or more interest rates within a maturity a single fully-registered Refunding Bond in the respective Principal Amount for each interest rate) in an authorized denomination (except for any odd denomination Refunding Bond). Upon initial execution and delivery, as provided for herein, the ownership of such Refunding Bond shall be registered in the Bond Register in the name of the Nominee identified below as nominee of DTC, and its successors and assigns. Except as hereinafter provided, all of the Outstanding Refunding Bonds shall be registered in the Bond Register in the name of the Nominee of the Depository, which may be the Depository, as determined form time to time pursuant to this Section. Each Refunding Bond certificate shall bear a legend substantially to the following effect: “UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TO THE BOND REGISTRAR FOR REGISTRATION OF TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZE REPRESENTATIVE OF THE DEPOSITORY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO. (OR IN SUCH OTHER NAME AS REQUESTED BY THE AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY), HAS AN INTEREST HEREIN.”

With respect to the Refunding Bonds registered in the Bond Register in the name of the Nominee, neither the District nor the Paying Agent shall have any responsibility or obligation to any broker-dealers, banks and other financial institutions from time to time for which the Depository holds Refunding Bonds as securities depository (the “Participant”) or to any person on behalf of which such a Participant holds an interest in the Refunding Bonds. Without limiting the immediately preceding sentence, neither the District nor the Paying Agent shall have any responsibility or obligation (unless the District is at such time the Depository) with respect to (a) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in the Refunding Bonds, (b) the delivery to any Participant or any other person, other
than an Owner of a Refunding Bond as shown in the Bond Register, of any notice with respect to the Refunding Bonds, including any notice of redemption, (c) the selection by the Depository and its Participants of the beneficial interests in the Refunding Bonds to be redeemed in the event the District redeems the Refunding Bonds in part, or (d) the payment to any Participant or any other person, other than an Owner of a Refunding Bond as shown in the Bond Register, of any amount with respect to Principal of or interest on the Refunding Bonds. The District and the Paying Agent may treat and consider the person in whose name each Refunding Bond is registered in the Bond Register as the holder and absolute owner of such Refunding Bond for the purpose of payment of Principal and interest with respect to such Refunding Bond, for the purpose of giving notices of redemption, if applicable, and other matters with respect to such Refunding Bond, for the purpose of registering transfers with respect to such Refunding Bond, and for all other purposes whatsoever. The Paying Agent shall pay all Principal of and interest on the Refunding Bonds only to or upon the order of the respective Owner of the Refunding Bond, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to payment of Principal of and interest on the Refunding Bonds to the extent of the sum or sums so paid. No person other than an Owner of a Refunding Bond, as shown in the Bond Register, shall receive a Refunding Bond evidencing the obligation of the District to make payments of Principal and interest. Upon delivery by the Depository to the Owners of the Refunding Bonds, and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Resolution shall refer to such substitute nominee of the Depository.

(ii) In order to qualify the Refunding Bonds for the Depository’s book-entry system, the District has executed and delivered to the Depository a Letter of Representations. The execution and delivery of the Letter of Representations shall not in any way limit the provisions of this Section or in any other way impose upon the District any obligation whatsoever with respect to persons having interests in the Refunding Bonds other than the Owners of the Refunding Bonds, as shown on the Bond Register. In addition, to the execution and delivery of the Letter of Representations, the District shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify the Refunding Bonds for the Depository’s book-entry program.
(iii) If at any time the Depository notifies the District that it is unwilling or unable to continue as Depository with respect to the Refunding Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by the District within 90 days after the District receives notice or becomes aware of such condition, as the case may be, subsection (a) hereof shall no longer be applicable and the District shall deliver new fully-registered book-entry securities with respect to the Refunding Bonds as provided below. In addition, the District may determine at any time that the Refunding Bonds shall no longer be represented by book-entry securities and that the provisions of subsection (a) hereof shall no longer apply to the Refunding Bonds. In any such event, the District shall execute and deliver certificates representing the Refunding Bonds as provided below. Refunding Bonds issued in exchange for book-entry securities pursuant to this subsection (c) shall be registered in such names and delivered in such denominations as the Depository shall instruct the District. The District shall deliver such bonds representing the Refunding Bonds to the persons in whose names such Bonds are so registered.

If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or cause to be prepared new fully-registered book-entry securities for each of the maturities of the Refunding Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the District and such securities depository and not inconsistent with the terms of this Resolution.

Notwithstanding any other provisions of this Resolution to the contrary, so long as any Refunding Bond is registered in the name of the Nominee, all payments with respect to Principal of, and interest on such Refunding Bond and all notices with respect to such Refunding Bond, including notices of redemption, shall be made and given, respectively, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the District and the Paying Agent.

(iv) Transfer of Refunding Bonds to Substitute Depository. Registered ownership of the Refunding Bonds held in book-entry form, or any portions thereof, may not thereafter be transferred following their registration in the name of the Nominee except:
(A) To any successor of the Depository or its nominee, or of any substitute depository designated pursuant to Section 6(c)(iv)(B) ("Substitute Depository"); provided that any successor of the Depository or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(B) To any Substitute Depository designated by the District, upon (1) the resignation of the Depository or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that the Depository (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(C) to any person as provided below, upon (1) the resignation of the Depository or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that the Depository or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

In the case of any transfer pursuant to Section 6(c)(iv)(A) or (B), upon receipt of all Outstanding Refunding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Refunding Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Refunding Bonds then Outstanding (or in the case of two or more interest rates within a maturity a single fully-registered Refunding Bond in the respective Principal Amount for each interest rate), registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 6(c)(iv)(C), upon receipt of all Outstanding Refunding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, new Refunding Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Refunding Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.
In the case of a partial redemption or an advance refunding of any Refunding Bonds evidencing a portion of the Principal maturing in a particular year, the Depository or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Refunding Bonds indicating the date and amounts of such reduction in the Principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository’s failure to make such notations or errors in making such notations.

The District and the Paying Agent shall be entitled to treat the person in whose name any Refunding Bond is registered as the owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Refunding Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including the Depository or its successor (or Substitute Depository or its successor), except to the Owner of any Refunding Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the Owners of the Refunding Bonds.

(d) The initial Depository under this Section 6(c) shall be DTC. The initial Nominee shall be Cede & Co., as Nominee of DTC.

SECTION 7. Execution of Bonds. The Refunding Bonds shall be signed by the President of the Board, or if the President is unavailable, by any other member of the Board who is authorized to sign on behalf of the President, and the Clerk of the Board by their manual or facsimile signatures each in their official capacities. In case any one or more of the officers who shall have signed any of the Refunding Bonds shall cease to be such officer before the Refunding Bonds so signed shall have been issued by the District, such Refunding Bonds may, nevertheless, be issued, as herein provided, as if the persons who signed such Refunding Bonds had not ceased to hold such offices. No Refunding Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Refunding Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Refunding Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.
SECTION 8. Paying Agent; Transfer and Exchange. So long as any of the Refunding Bonds remain unpaid, the District will cause the Paying Agent to maintain and keep at its principal office the Bond Register consisting of all books and records necessary for the registration, exchange and transfer of the Refunding Bonds as provided in this Section. Subject to the provisions of Section 9 below, the person in whose name a Refunding Bond is registered on the Bond Register shall be regarded as the absolute owner of that Refunding Bond for all purposes of this Resolution. Payment of or on account of the Principal of and interest on any Refunding Bond shall be made only to or upon the order of that person; neither the District nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District’s liability upon the Refunding Bonds, including interest, to the extent of the amount or amounts so paid.

The Paying Agent may at any time resign and be discharged of the duties and obligations created by this Resolution by giving at least 60 days' written notice to the District. Any Paying Agent may be removed by the District at any time by an instrument filed with such Paying Agent and signed by the District. A successor Paying Agent shall be appointed by the District which shall be, if other than the Treasurer-Tax Collector of the County of San Diego, a bank or trust company organized under the laws of any state of the United States, a national banking association or any other financial institution, having capital stock and surplus aggregating at least $50,000,000 and doing business in the State of California and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Resolution. Such Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the District a written acceptance thereof. Resignation or removal of the Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or, if there is no successor, to the Treasurer and Tax Collector of San Diego County. In the event that for any reason there shall be a vacancy in the office of the Paying Agent, the Treasurer and Tax Collector of San Diego County shall act as such Paying Agent. The District shall cause the new Paying Agent appointed to replace any resigned or removed Paying Agent to mail notice of its appointment and the address of its principal office to all registered Owners; provided, however, that if all Refunding Bonds are registered in the name of the

Depository, or its Nominee, notice shall be given in such manner as complies with the requirements of the Depository.

Any Refunding Bond may be exchanged for Refunding Bonds of like tenor, maturity and Principal Amount upon presentation and surrender at the principal office of the Paying Agent designated for such purpose, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Refunding Bond may be transferred on the Bond Register only upon presentation and surrender of the Refunding Bond at the principal office of the Paying Agent designated for such purpose together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new Refunding Bond or Refunding Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Principal Amount of the Refunding Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the District are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Refunding Bonds only after the new Refunding Bonds are signed by the authorized officers of the District. In all cases of exchanged or transferred Refunding Bonds, the District shall sign and the Paying Agent shall authenticate and deliver Refunding Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Refunding Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Refunding Bonds surrendered upon that exchange or transfer.

Any Refunding Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Refunding Bonds that the District may have acquired in any manner whatsoever, and those Refunding Bonds shall be promptly cancelled by the Paying Agent. Written reports of the surrender and cancellation of Refunding Bonds shall be made to the District by the Paying Agent at least twice each calendar year. The cancelled Refunding Bonds shall be retained for a period of time and then returned to the District or destroyed by the Paying Agent as directed by the District.
Neither the District nor the Paying Agent will be required (a) to issue or transfer any Refunding Bonds during a period beginning with the opening of business on the fifteenth day next preceding any date of selection of Refunding Bonds to be redeemed and ending with the close of business on the day on which the applicable notice of redemption is given, or (b) to transfer any Refunding Bonds which have been selected or called for redemption in whole or in part.

In case any Refunding Bond secured hereby shall become mutilated or destroyed, stolen or lost, the Paying Agent shall cause to be executed and authenticated a new Refunding Bond of like maturity date, interest rate, Principal Amount and tenor in exchange and substitution for and upon the cancellation of such mutilated Refunding Bond or in lieu of and in substitution for such Refunding Bond mutilated, destroyed, stolen or lost, upon the Owner’s paying the reasonable expenses and charges in connection therewith, and, in the case of a Refunding Bond destroyed, stolen or lost, such Owner’s filing with the Paying Agent and the District of evidence satisfactory to them that such Refunding Bond was destroyed, stolen or lost, and/or such Owner’s ownership thereof in furnishing the Paying Agent and District with indemnity satisfactory to each of them.

Any new Refunding Bonds issued pursuant to this Section 8 in substitution for Refunding Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the District, whether or not the Refunding Bonds so alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Refunding Bonds issued under this Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of the Refunding Bonds.

SECTION 9. Payment. Payment of interest on each Bond Payment Date shall be made to the person appearing on the Bond Register as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date. The interest, Principal, and redemption premiums, if any, on the Refunding Bonds shall be payable in lawful money of the United States of America. With respect to all Refunding Bonds registered in the name of the Depository or its Nominee, all payments of interest, Principal and redemption premiums, if any, shall be made in accordance with the Letter of Representations or as otherwise instructed by the Depository and agreed to by the District and the Paying Agent. With respect to all Refunding Bonds not held in book-entry form by the Depository or its Nominee, interest shall be paid by check mailed to each Owner on the Bond Payment Date at such Owner’s address as it appears on the registration books of the Paying Agent, or at such other address as such Owner may have filed with the Paying
Agent for that purpose on or before the Record Date; provided, however, the Owner of an aggregate Principal Amount of $1,000,000 or more may request in writing to the Paying Agent that such Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date. The Principal of and redemption premiums, if any, on Refunding Bonds not held in book-entry form by the Depository or its Nominee shall be payable upon maturity or redemption upon surrender at the principal office or other designated office of the Paying Agent. The Paying Agent is hereby authorized to pay the Refunding Bonds when duly presented for payment at maturity or redemption, and to cancel each Refunding Bond upon payment thereof.

The Refunding Bonds are general obligation bonds of the District, payable solely from the proceeds of ad valorem taxes levied on all property subject to such taxes within the District for the purpose of repaying the Refunding Bonds and from other amounts on deposit in the Debt Service Fund.

SECTION 10. Form of Refunding Bonds. The Refunding Bonds shall be in substantially the following form, allowing those officials executing the Refunding Bonds to make the insertions and deletions necessary to conform the Refunding Bonds to this Resolution, the Purchase Contract and the Official Statement for the Refunding Bonds, as applicable, and to correct any defect or inconsistent provision therein or to cure any ambiguity or omission therein.

SECTION 11. Delivery of Refunding Bonds. The proper officials of the District shall cause the Refunding Bonds to be prepared and, following their sale, shall have the Refunding Bonds signed and delivered to the Repository for the account of the Underwriter upon payment of the purchase price therefor in immediately available funds.

SECTION 12. Application of Proceeds of Refunding Bonds. Proceeds from the sale of the Refunding Bonds received by the District shall be transferred to the Escrow Bank for deposit in the Escrow Fund established under the Escrow Agreement in an amount sufficient to defease the Refunded Bonds, all as set forth in a certificate of an Authorized Officer. Proceeds from the sale of the Refunding Bonds in an amount sufficient to pay all costs of issuing the Refunding Bonds shall be deposited in the fund of the District known as the “Chula Vista Elementary School District 2022 General Obligation Refunding Bond, Series A, Cost of Issuance Fund” (the “Cost of Issuance Fund”) and shall be kept separate and distinct from all other District funds, and those proceeds shall be used solely for the purpose of paying costs of issuance of the Refunding Bonds. The Cost of Issuance Fund may, at the discretion of the District, be held by the County or the Paying Agent or at a bank selected by an Authorized Officer of the District for such purpose, and each Authorized Officer, acting alone, is authorized to enter into an agreement with the entity designated to hold the Cost of Issuance Fund.

Any accrued interest received by the District from the sale of the Refunding Bonds shall be kept separate and apart in the fund hereby created and established and to be designated as the “Chula Vista Elementary School District 2022 General Obligation Refunding Bond, Series A, Debt Service Fund” (the “Debt Service Fund”) for the Refunding Bonds and used only for payments of Principal and interest on the Refunding Bonds. The Debt Service Fund may, at the discretion of the District, be held by the County or the Paying Agent. Any excess proceeds of the Refunding Bonds not needed for the authorized purposes set forth herein for...
which the Refunding Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of Principal and interest on the Refunding Bonds. If, after payment in full of the Refunding Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District.

Money on deposit in the debt service funds established for the Refunded Bonds collected to make the debt service payments on the Refunded Bonds may either be used to pay the interest or principal due on the Refunded Bonds, may be transferred to one or more of the Escrow Fund and applied as set forth in the Escrow Agreement or may be used to pay principal and interest due on the Refunding Bonds as directed, in writing, by an Authorized Officer.

Notwithstanding any of the foregoing, the provisions of this Section 12 as they relate to the dispersal and allocation of moneys on deposit in the debt service funds established for the Refunded Bonds and the provisions of this Section 12 as they relate to the application of any proceeds from the sale of the Refunding Bonds may be amended by the Purchase Contract so long as the transactions contemplated by such amendment are in compliance with the provisions of the Act.

Interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay Principal and interest on the Refunding Bonds when due.

SECTION 13. Rebate Fund.

(a) The District shall create and establish a special fund designated the “Chula Vista Elementary School District 2022 General Obligation Refunding Bonds, Series A, Rebate Fund” (the “Rebate Fund”). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the “Rebate Requirement”) pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the “Treasury Regulations”). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District.

(i) Within forty-five (45) days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from
amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated.

(ii) The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section.

(iii) The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Refunding Bonds (including amounts treated as proceeds of the Refunding Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(b) Any funds remaining in the Rebate Fund after the redemption or payment at maturity of all the Refunding Bonds and the payment of any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, shall be remitted to the District.

(c) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund.
(A) not later than sixty (60) days after the end of (i) the fifth (5th) Bond Year, and (ii) each fifth (5th) Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(B) not later than sixty (60) days after the payment of all Refunding Bonds, an amount equal to one hundred percent (100%) of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(d) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(e) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(f) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the “rebate amount” calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(g) The District shall retain records of all determinations made hereunder until six years after the complete retirement of the Refunding Bonds.

(h) Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Refunding Bonds.

(i) The provisions of this Section 13 may be modified in the Tax Certificate and in any supplement thereto issued from time to time.
SECTION 14. Security for the Refunding Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct ad valorem tax annually during the period the Refunding Bonds are Outstanding in an amount sufficient, together with moneys on deposit in the Debt Service Fund available for such purpose, to pay the Principal of and interest on the Refunding Bonds when due. When collected the ad valorem taxes will be placed in the Debt Service Fund, which ad valorem taxes, together with the amounts on deposit in the Debt Service Fund, are irrevocably pledged pursuant to Government Code Sections 5450 and 5451 to the payment of the Principal of and interest on the Refunding Bonds when and as the same fall due. Pursuant to Government Code Section 53515, the Refunding Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of ad valorem taxes for the payment thereof. The District covenants to cause the County to take all actions necessary to levy such ad valorem tax in accordance with Education Code Section 15250 et seq. and to cause the proceeds from such levy to be deposited to the Debt Service Fund to pay the Principal of and interest on the Refunding Bonds when due.

The moneys in the Debt Service Fund, to the extent necessary to pay the Principal of and interest on the Refunding Bonds as the same become due and payable, shall be transferred to the Paying Agent which, in turn, shall pay such moneys to the Owners to pay the Principal of and interest on the Refunding Bonds. Any moneys remaining in the Debt Service Fund after the Refunding Bonds and the interest thereon have been paid, or provision for such payment has been made, shall be transferred to the General Fund of the District, pursuant to the Education Code Section 15234.

SECTION 15. Waiver of Noncompliance with Debt Policy. Notwithstanding the fact that the issuance of the Refunding Bonds is not expected to produce net present value savings of at least 5%, as required by Section 4(f)(i) of the District’s Debt Management Policy, the Board hereby finds that the issuance of the Refunding Bonds is in the best interests of the District because it will still produce positive net present value savings and it is likely that waiting to issue refunding bonds in the future will result in lower net present value savings. Therefore, in accordance with Section 6 of the District’s Debt Management Policy, the Board hereby waives the minimum savings threshold requirement of the Debt Management Policy.
SECTION 16. Good Faith Estimates and Legislative Determinations. In accordance with Government Code section 5852.1, good faith estimates of the following have been obtained from the Municipal Advisor (as defined in Section 23 below) and are set forth on Exhibit A attached hereto: (a) the true interest cost of the Refunding Bonds, (b) the sum of all fees and charges paid to third parties with respect to the Refunding Bonds, including an estimate of the costs of issuance, (c) the amount of proceeds of the Refunding Bonds expected to be received net of the fees and charges paid to third parties and any reserves or capitalized interest paid or funded with proceeds of the Refunding Bonds, and (d) the sum total of all debt service payments on the Refunding Bonds calculated to the final maturity of the Refunding Bonds plus the fees and charges paid to third parties not paid with the proceeds of the Refunding Bonds. The Board finds and determines that the provisions of Government Code section 5852.1 have been satisfied with respect to the authorization of the Refunding Bonds.

This Board further finds and determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Refunding Bonds in order to make them legal, valid and binding general obligation bonds of the District have been performed and have been met, or will at the time of delivery of the Refunding Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Refunding Bonds. Furthermore, the Board finds and determines pursuant to Section 53552 of the Act that the prudent management of the fiscal affairs of the District requires that it issue the Refunding Bonds under the provisions of the Act without submitting the question of the issuance of the Refunding Bonds to a vote of the qualified electors of the District.

SECTION 17. Official Statement. The form of the Preliminary Official Statement (the “Preliminary Official Statement”), substantially in the form on file with the Clerk of the Board, is hereby approved. Each of the Authorized Officers, acting alone, is hereby authorized and directed, for and in the name and on behalf of the District, to make such changes therein as are necessary to make the Preliminary Official Statement accurate as of its date, to deem the Preliminary Official Statement “final” pursuant to Rule 15c2-12 of the Securities Exchange Act of 1934 prior to its distribution, and to make it available to the Underwriter. Each of the Authorized Officers, acting alone, is hereby authorized and directed to execute and deliver to the Underwriter a final Official Statement (the “Official Statement”), substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. The Underwriter is hereby
authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Refunding Bonds and is directed to deliver copies of the Official Statement to the purchasers of the Refunding Bonds. Execution of the Official Statement by an Authorized Officer shall conclusively evidence the District’s approval of such Official Statement.

SECTION 18. Insurance. Each of the Authorized Officers, acting alone, is hereby authorized to enter into negotiations to procure bond insurance for the Refunding Bonds and to purchase bond insurance if it will result in net debt service savings to the District. In the event the District purchases bond insurance for any or all of the Refunding Bonds, or in the event that the Underwriter elects to purchase bond insurance at its option, and to the extent that the Bond Insurer makes payment of the Principal or interest on any Refunding Bonds, it shall be fully subrogated to all of the registered Owners’ rights with respect to such Refunding Bonds, including the Owners’ rights to payment of any of the Principal or interest paid by the Bond Insurer. To evidence such subrogation: (i) in the case of subrogation as to claims that were past due interest payments, the Paying Agent shall note the Bond Insurer’s rights as subrogee on the Bond Register maintained by the Paying Agent upon receipt of evidence satisfactory to the Paying Agent that the Bond Insurer has made the payment of such interest to the Owners of the Refunding Bonds, and (ii) in the case of subrogation as to claims for past due Principal, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Refunding Bonds maintained by the Paying Agent upon surrender of the Refunding Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 19. Defeasance. All or any portion of the Refunding Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with the Paying Agent, or an independent escrow agent selected by the District, an amount of cash which together with amounts then on deposit in the Debt Service Fund, is sufficient to pay all Refunding Bonds designated for defeasance, including all Principal and interest and premium, if any, at or before their maturity date; or

(b) Government Obligations: by irrevocably depositing with the Paying Agent, or an independent escrow agent selected by the District, noncallable Government Obligations together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon, and moneys then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all
Refunding Bonds designated for defeasance (including all Principal and interest represented thereby and redemption premium, if any) at or before their maturity date.

If either of the foregoing provisions have been satisfied with respect to all or a portion of the Refunding Bonds then, whether or not the Refunding Bonds so defeased shall have been surrendered for payment, such Refunding Bonds shall no longer be Outstanding hereunder and all obligations of the District with respect to the Refunding Bonds so defeased shall cease and terminate, except only the obligation of the District and the Paying Agent to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the Owners of such Refunding Bonds all sums due with respect thereto.

For purposes of this Section, Government Obligations shall mean:

Direct and general obligations of the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (i) a bank or trust company acts as custodian and holds the underlying direct and general obligations of the United States of America; (ii) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying direct and general obligations of the United States of America; and (iii) the underlying direct and general obligations of the United States of America are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated by S&P Global Ratings and Moody’s Investors Service in the same rating category as the underlying direct and general obligations of the United States of America.

SECTION 20. Potential for Private Placement. In the event that the Superintendent or the Deputy Superintendent determines that a direct placement of the Refunding Bonds with a lender would be more beneficial to the District than a negotiated sale of the Refunding Bonds to the Underwriter, then the Authorized Officers are authorized to take any actions and make any changes to the documents herein approved, or to the provisions hereof, and to execute any
additional documents as needed, in order to effect such a direct placement of the Refunding Bonds. In the event that the District decides to proceed with a direct placement of the Refunding Bonds, each of the Authorized Officers is hereby authorized to select a lender to whom the Refunding Bonds will be directly placed and engage any professional services needed to effect the direct placement of the Certificates, in accordance with Section 24, below.

SECTION 21. Other Actions, Determinations and Approvals.

(a) Officers of the Board and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Refunding Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(b) The Board hereby finds and determines that the total net interest cost to maturity on the Refunding Bonds plus the Principal amount of the Refunding Bonds will be less than the total net interest cost to maturity on the Refunded Bonds plus the principal amount of the Refunded Bonds.

(c) The Board anticipates that the Refunded Bonds will be paid on their earliest possible redemption dates.

(d) The Board hereby appoints U.S. Bank Trust Company, National Association, as escrow bank for the Refunded Bonds.

(e) Each of the Authorized Officers, acting alone, is hereby authorized to take any and all actions necessary or desirable to allow the Underwriter to comply with Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934, as amended.

(f) The provisions of this Resolution may be amended by the Purchase Contract.

SECTION 22. Transmittal of Resolution to County Auditor and Treasurer and Tax Collector. The Clerk of this Board is hereby directed to provide a certified copy of this Resolution and the debt service schedule for the Refunding Bonds and the Refunded Bonds to the County Auditor and the Treasurer and Tax Collector of San Diego County in accordance with Education Code Section 15140(c).
SECTION 23. Continuing Disclosure. The form of Continuing Disclosure Certificate on file with the Clerk of the Board is hereby approved, and each Authorized Officer, acting alone, is hereby authorized to execute and deliver a Continuing Disclosure Certificate, but with such changes therein, deletions

SECTION 24. therefrom and modifications thereto as the Authorized Officer executing the same may approve, such approval to be conclusively evidenced by his or her execution and delivery thereof. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, as originally executed and as it may be amended from time to time in accordance with the terms thereof. Noncompliance with this Section shall not constitute a default hereunder, result in acceleration of the Refunding Bonds or create any monetary liability of the District to any Owner or Beneficial Owner (defined below). In the event of a failure by the District to comply with the Continuing Disclosure Certificate, the sole remedy available to any Owner or Beneficial Owner shall be an action to mandate or compel specific performance of the terms of the Continuing Disclosure Certificate. For purposes of this Section, “Beneficial Owner” means any person which has or shares the power, directly or indirectly, to make investment decisions concerning ownership of any Refunding Bonds (including persons holding Refunding Bonds through nominees, depositaries or other intermediaries).

SECTION 25. Engagement of Professional Services. The Board hereby approves the engagement of the firm of Dale Scott & Company, Inc. (the “Municipal Advisor”) to act as municipal advisor to the District in connection with the issuance of the Refunding Bonds. Stradling, Yocca, Carlson & Rauth, a Professional Corporation, is hereby retained by the District as bond counsel and disclosure counsel (“Bond Counsel”) in connection with the issuance of the Refunding Bonds. The Superintendent or the Deputy Superintendent is hereby authorized to enter into contracts, or to amend existing contracts, with each of said firms in order to provide services with respect to the Refunding Bonds. All fees and expenses payable to such firms shall be contingent upon and be payable only from proceeds of the Refunding Bonds. In addition, each of the Authorized Officers is authorized to provide for all additional services necessary to effect the issuance of the Refunding Bonds. Such services shall include any other services deemed by an Authorized Officer to be appropriate and necessary to effect the issuance of the Refunding Bonds. Any one of the Authorized Officers is authorized to pay for the cost of such services, together with other costs of issuance for the Refunding Bonds, from the proceeds of the Refunding Bonds, and to execute and any all agreements required to obtain such services.
SECTION 26. Escrow Agreement. The form of the Escrow Agreement on file with the Clerk of the Board is hereby approved, and each of the Authorized Officers, acting alone, is authorized and directed, for and in the name and on behalf of the District, to execute and deliver an Escrow Agreement for the Refunded Bonds in substantially the form approved, with such changes therein as the Authorized Officer executing the Escrow Agreement may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof by an Authorized Officer.

SECTION 27. Supplemental Resolutions.

(a) This Resolution, and the rights and obligations of the District and of the Owners of the Refunding Bonds issued hereunder, may be modified or amended at any time by a supplemental resolution adopted by the District with the written consent of the Owners owning at least 60% in aggregate Principal Amount of the Outstanding Refunding Bonds, exclusive of Refunding Bonds, if any, owned by the District; provided, however, that no such modification or amendment shall, without the express consent of the Owner of each Refunding Bond affected, reduce the Principal Amount of any Refunding Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification. No such supplemental resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto.

(b) This Resolution, and the rights and obligations of the District and of the Owners of the Refunding Bonds issued hereunder, may be modified or amended at any time by a supplemental resolution adopted by the District without the written consent of the Owners:

(i) To add to the covenants and agreements of the District in this Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(ii) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;
(iii) To confirm or provide further assurance of any pledge hereunder, and to subject to any lien or pledge created or to be created by this Resolution any moneys, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;

(iv) To cure any ambiguity, supply any omission, or to cure or correct any defect or inconsistent provision in this Resolution; or

(v) To amend or supplement this Resolution in any other respect, provided such supplemental resolution does not adversely affect the interests of the Owners.

(c) Any act done pursuant to a modification or amendment consented to as provided in (a) above shall be binding upon the Owners of all the Refunding Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the District or any officer or agent of either from taking any action pursuant thereto.

SECTION 28. Request to County to Levy Tax. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of ad valorem property taxes in each year sufficient to pay all Principal and interest coming due on the Refunding Bonds in such year, and to pay from such taxes all amounts due on the Refunding Bonds. The District hereby requests the Board of Supervisors to levy annually a tax upon all taxable property in the District sufficient to pay the Principal of and interest on the Refunding Bonds as and when the same become due.

SECTION 29. Resolution to Constitute Contract. In consideration of the purchase and acceptance of any and all of the Refunding Bonds authorized to be issued hereunder by those who shall own the same from time to time, this Resolution shall be deemed to be and shall constitute a contract among the District and the Owners from time to time of the Refunding Bonds; and the pledge and covenants made in this Resolution shall be for the equal benefit, protection and security of the Owners of any and all of the Refunding Bonds, all of which, regardless of the time or times of their issuance or maturity, shall be of equal rank without preference, priority or distinction of any of the Refunding Bonds over any other thereof.
SECTION 30. Unclaimed Moneys. Anything in this Resolution to the contrary notwithstanding, any moneys held by the Paying Agent in trust for the payment and discharge of any of the Refunding Bonds which remain unclaimed for one (1) year after the date when such Refunding Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Paying Agent at such date, or for one (1) year after the date of deposit of such moneys if deposited with the Paying Agent after said date when such Refunding Bonds become due and payable, shall be repaid by the Paying Agent to the District, as its absolute property and free from trust, and the Paying Agent shall thereupon be released and discharged with respect thereto and the Owners of such Refunding Bonds shall look only to the District for the payment of such Refunding Bonds; provided, however, that before being required to make such payment to the District, the Paying Agent shall, at the expense of District, cause to be mailed to the Owners of all such Refunding Bonds, at their respective addresses appearing on the registration books, a notice that said moneys remain unclaimed and that, after a date in said notice, which date shall not be less than thirty (30) days after the date of mailing such notice, the balance of such moneys then unclaimed will be returned to the District.

SECTION 31. Permitted Investments.

(a) All amounts held in the funds and accounts established hereunder and held by the Treasurer and Tax Collector of San Diego County shall be invested by the Treasurer and Tax Collector of San Diego County in any instrument which is a lawful investment for funds of the District, including the Treasurer’s Pooled Investment Fund, the Local Agency Investment Fund of the State of California, any investment authorized pursuant to Sections 53601 and 53635 of the Government Code, or in investment agreements, including guaranteed investment contracts, float contracts or other investment products; provided that such agreements comply with the requirements of each rating agency then rating the Refunding Bonds necessary in order to maintain the then-current rating on the Refunding Bonds. Unless otherwise instructed by the District in writing, amounts held hereunder shall be invested in the County of San Diego Treasurer’s Pooled Investment Fund. If invested in other than the Pooled Investment Fund or the Local Agency Investment Fund of the State of California, amounts in the Debt Service Fund shall be invested in investments maturing not later than the date on which such amounts will be needed to pay the Principal of and interest on the Refunding Bonds. Nothing in this Resolution shall prevent any investment securities acquired as investments of funds held hereunder from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.
(b) Obligations purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account. Profits or losses attributable to any fund or account shall be credited or charged to such fund or account. In computing the amount in any fund or account created under the provisions of this Resolution for any purpose provided in this Resolution, obligations purchased as an investment of moneys therein shall be valued at cost, plus, where applicable, accrued interest.

SECTION 32. Tax Covenants. The District hereby covenants for the benefit of the Owners of the Refunding Bonds that it shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income for federal income tax purposes of interest on the Refunding Bonds and will restrict the use of the proceeds of the Refunding Bonds in such manner and to such extent, if any, as may be necessary, so that the Refunding Bonds will not constitute arbitrage bonds under Section 148 of the Code, and the applicable regulations prescribed under that section or any predecessor section.

SECTION 33. Creation of Additional Funds. If at any time it is deemed necessary or desirable by the District, upon the written direction of an Authorized Officer of the District, the Treasurer may establish additional funds under this Resolution and/or accounts within any of the funds or accounts established hereunder.

SECTION 34. Effective Date. This Resolution shall take effect immediately upon its adoption.

I, Eduardo Reyes, Secretary to the Board of Education of the Chula Vista Elementary School District of San Diego County, California, do hereby certify that the foregoing is a full, true, and correct copy of a resolution duly adopted by said Board at a regular meeting thereof on the date and by the vote above stated, which resolution is on file and of record in the Office of said Board.

____________________________________
Secretary to the Board of Education
The good faith estimates set forth herein are provided with respect to the Refunding Bonds in accordance with California Government Code Section 5852.1. Such good faith estimates have been provided to the District by the Municipal Advisor.

**Principal Amount.** The Municipal Advisor has informed the District that, based on the District’s financing plan and current market conditions, its good faith estimate of the aggregate principal amount of the Refunding Bonds to be sold is $7,505,000 (the “Estimated Principal Amount”). Based on the Estimated Principal Amount, the following good faith estimates are provided:

**True Interest Cost of the Refunding Bonds.** The Municipal Advisor has informed the District that, assuming that the Estimated Principal Amount of the Refunding Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the true interest cost of the Refunding Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the Refunding Bonds, is 2.15%.

**Finance Charge of the Refunding Bonds.** The Municipal Advisor has informed the District that, assuming that the Estimated Principal Amount of the Refunding Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the finance charge for the Refunding Bonds, which means the sum of all fees and charges paid to third parties, is $185,020 of which $155,000 is for costs of issuance to be paid from Refunding Bond proceeds and $30,020 is Underwriter’s discount.

**Amount of Proceeds to be Received.** The Municipal Advisor has informed the District that, assuming that the Estimated Principal Amount of the Refunding Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the amount of proceeds expected to be received by the District for sale of the Refunding Bonds, less the finance charge of the Refunding Bonds paid from Refunding Bond proceeds, which amount is estimated to be $7,951,522.
Total Payment Amount. The Municipal Advisor has informed the District that, assuming that the Estimated Principal Amount of the Refunding Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the total payment amount, which means the sum total of all payments the District will make to pay debt service on the Refunding Bonds, plus the finance charge for the Refunding Bonds as described in (b) above not paid with the proceeds of the Refunding Bonds, if any, calculated to the final maturity of the Refunding Bonds, is $8,614,256.

The foregoing estimates constitute good faith estimates only. The actual principal amount of the Refunding Bonds issued and sold, the true interest cost thereof, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates due to (a) the actual date of the sale of the Refunding Bonds being different than the date assumed for purposes of such estimates, (b) the actual principal amount of Refunding Bonds sold being different from the Estimated Principal Amount, (c) the actual amortization of the Refunding Bonds being different than the amortization assumed for purposes of such estimates, (d) the actual market interest rates at the time of sale of the Refunding Bonds being different than those estimated for purposes of such estimates, (e) other market conditions, or (f) alterations in the District’s financing plan, or a combination of such factors. The actual date of sale of the Refunding Bonds and the actual principal amount of Refunding Bonds sold will be determined by the District based on the timing of the need for proceeds of the Refunding Bonds and other factors. The actual interest rates borne by the Refunding Bonds will depend on market interest rates at the time of sale thereof. The actual amortization of the Refunding Bonds will also depend, in part, on market interest rates at the time of sale thereof. Market interest rates are affected by economic and other factors beyond the control of the District.

GIFTS, GRANTS, AND BEQUESTS

The Governing Board may accept any bequest or gift of money or property on behalf of the District. While greatly appreciating suitable donations, the Board discourages any gifts which may directly or indirectly impair its commitment to providing equal educational opportunities for all District students.

To be acceptable, a gift must satisfy the following criteria:

1. Not add to staff load.
2. Not begin a program which the Board would be unwilling to continue when the donated funds are exhausted.
3. Not entail undesirable or hidden costs.
4. Place no restrictions on the school program.
5. Not be inappropriate or harmful to the best education of students.
6. Not imply endorsement of any business or product.
7. Not conflict with any provision of the school code or public law.
8. Have a purpose consistent with those of the District.

Any gift of books and instructional materials shall be accepted only if they meet district criteria for selection of instructional materials.

(cf. 6161.1 - Procedures and Criteria for Selection and Evaluation)

All gifts, grants and bequests shall become District property. All gifts shall be given to the District, and not to a particular school, classroom, or teacher. At the Superintendent/designee’s discretion, a gift may be used at a particular school or classroom.

Use of the gift shall not be impaired by restrictions or conditions imposed by the donor.
GIFTS, GRANTS, AND BEQUESTS (continued)

The Board will try to follow the donor's wishes insofar as they do not conflict with District philosophy or operations.

Nothing in this Board Policy prohibits any third party from issuing any gifts, grants, or bequests to any employee(s) so long as the gifts, grants, or bequests comply with any and all legal requirements including, but not limited to those reflected to conflicts of interest.

Any person or entity approved to conduct an online fundraising campaign shall comply with relevant District policies and procedures, including ensuring financial transparency in describing the purpose and use of the funds and protecting student privacy as applicable. Such person or entity shall specify that the District, rather than a staff member, classroom, or school, will own the funded resources.

Funds raised by an online fundraising campaign and donated to the District shall be subject to the same terms, criteria for acceptance, and accountability measures as any other donation as specified in this policy.

First Reading/Revise: Proposed Revisions to Instructional Programs and Reclassification Criteria Addressed in Board Policy and Administrative Regulation 6174, Instruction, Education for English Learners

____ X _____ Action _____________ Information

BACKGROUND INFORMATION:

Instructional Programs:

In the 2021-22 academic school year, through a process involving staff and community input, the Transitional/Developmental Bilingual instructional programs were discontinued. Board Policy (BP) and Administrative Regulation (AR) 6174 will reflect current instructional programs offered to English Learners (ELs).

Summative English Language Proficiency Assessment for California (ELPAC) K-1 Academic Criterion for Reclassification:

The updated version of the Smarty Ants Local Measure assessment identifies the following performances bands: Not Met/Approaching/Met. As a result, the District proposes changing the existing academic criterion of Met/Exceeded to Met in order to align with this update. This academic criterion is reflected in AR 6174.

Summative Alternate ELPAC Criteria for Reclassification:

In 2021-22 the Summative Alternate ELPAC became operational for EL students with Individualized Education Programs that have the most cognitively severe disabilities. In May 2022 the State Board of Education recommended the use of the Summative Alternate ELPAC overall performance level 3 as a statewide standardized English language proficiency criterion pending State Board approval. As a result, the District has developed interim criteria for reclassification for this student group. This interim criteria is reflected in the proposed changes in AR 6174 and may require further revision pending State Board of Education approval in the Spring of the 2022-23 academic school year.

EDUCATION FOR ENGLISH LEARNERS

The District is committed to providing an equal educational opportunity for all children regardless of race, national origin, sex, cultural affiliation, or linguistic background.

The District’s language acquisition programs and instructional services shall be based on research-based instructional strategies and shall be adequately supported so that ELs can achieve results at the same academic level as their English-proficient peers in the regular course of study.

The District shall identify in its Local Control and Accountability Plan (LCAP) goals and specific actions and services to enhance student engagement, academic achievement, and other outcomes for ELs.

(cf. 3100 - Budget)

In establishing the District’s language acquisition instructional programs and services for ELs, the Superintendent/designee shall consult with parents/guardians and the community during the LCAP development process. He/she shall also consult with administrators, teachers, and other personnel with appropriate authorizations and experience in establishing a language acquisition instructional programs and services for ELs. (Education Code 305).

Instruction

EDUCATION FOR ENGLISH LEARNERS (continued)

The District shall provide effective professional development to teachers (including teachers in classroom settings that are not the settings of language instruction educational programs), administrators, and other school or community-based organization personnel to improve the instruction and assessment of ELs and enhance staff’s ability to understand and use curricula, assessment, and instructional strategies for ELs. Such professional development shall be of sufficient intensity and duration to produce a positive and lasting impact on teachers’ performance in the classroom. (20 USC 6825)

(cf. 4131 - Professional Development)

To evaluate program effectiveness, the Superintendent and designated staff shall regularly examine program results, including reports of the ELs’ academic achievement, their progress towards proficiency in English, and the progress of students who have been reclassified fluent English proficient (R-FEP). The Superintendent and designated staff shall annually report these findings to the Board.

The District’s reclassification procedures include a comprehensive set of specific criteria that the student must attain before being reclassified from an EL to an R-FEP student. Parental communication is an integral part of the reclassification process. The specific reclassification criteria can be found in Administrative Regulation 6174.

(cf. 6190 – Evaluation of the Instructional Program)

Language acquisition instructional services are educational programs that are designed to ensure English acquisition as rapidly and as effectively as possible and that provide instruction to students on the state-adopted academic content standards, including the English language development standards. The language acquisition instructional services provided to students shall be informed by research and shall lead to grade-level proficiency and academic achievement in both English and another language. (Education Code 306).

The District shall offer Structured English Immersion (SEI) instructional services to all ELs to ensure ELs have access to the core academic content standards, including the English language development standards, and become proficient in English. SEI services provide nearly all classroom instruction in English, but with curriculum and presentation designed for students who are learning English. (Education Code 305-306)
Instruction

EDUCATION FOR ENGLISH LEARNERS (continued)

The District may offer a Dual Language Immersion Instructional Program that provides integrated language learning and academic instruction for native speakers of English and native speakers of another language, with the goals of high academic achievement, first and second language proficiency, and cross-cultural understanding.

The District may offer a Transitional or Developmental Instructional Program for ELs that provides literacy and academic instruction in English and a student’s native language and that enables an EL to achieve English proficiency and academic mastery of subject matter content and higher order thinking skills, including critical thinking, in order to meet state academic content standards.

Parents/guardians of ELs may choose a language acquisition instructional program that best suits their child. To the extent possible, any language acquisition instructional program requested by the parents/guardians of 30 or more students at the school or by the parents/guardians of 20 or more students at any grade level shall be offered by the school. (Education Code 310)

Parents/guardians of ELs shall be notified of the language instructional program and instructional services of their child on an annual basis and have a right to decline or opt their child out of EL services. Regardless of the language acquisition instructional program all ELs, at minimum, will receive daily Designated and Integrated English Language Development.

At the beginning of each school year or upon a student’s enrollment, parents/guardians shall be provided information on language acquisition programs and instructional services for ELs available to students enrolled in the District, including, but not limited to, a description of each program. EDUCATION FOR ENGLISH LEARNERS

Definition

English Learner (EL) means a student who is age 3-21 years, who is enrolled or is preparing to enroll in an elementary or secondary school, and whose difficulties in speaking, reading, writing, or understanding the English language may be sufficient to deny the student the ability to meet state academic standards, the ability to successfully achieve in classrooms where the language of instruction is English, or the opportunity to participate fully in society. An EL may include a student who was not born in the United States or whose native language is a language other than English; a student who is Native American or Alaska Native, or a native resident of the outlying areas, who comes from an environment where a language other than English has had a significant impact on the individual’s level of English language proficiency; or a student who is migratory, whose native language is a language other than English, and who comes from an environment where a language other than English is dominant. (Education Code 306; 20 USC 7801)

Native speaker of English means a student who has learned and used English in his/her home from early childhood and English has been his/her primary means of concept formation and communication. (Education Code 306)

The District shall offer the following language acquisition instructional programs and language acquisition services for ELs:

Structured English Immersion is an instructional service for ELs in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. (Education Code 306)

Transitional or Developmental Instructional Program for ELs provides instruction to pupils that utilizes English and a pupil's native language for literacy and academic instruction and enables an EL to achieve English proficiency and academic mastery of subject matter content and high order thinking skills, including critical thinking, in order to meet state adopted academic content standards. (Education Code 306)

achievement, first and second language proficiency, and cross-cultural understanding.

Identification and Assessment

Upon enrollment in the District, each student’s primary language shall be determined through the use of a home language survey. (Education Code 52164.1; 5 CCR 11307)

Any student who is identified as having a primary language other than English, as determined by the home language survey, and who has not previously been identified as an EL by a California public school or for whom there is no record of results from an administration of an English language proficiency test, shall be assessed for English proficiency using the state’s designated English language proficiency test for initial identification. (Education Code 313, 52164.1; 5 CCR 11511)

Each year after a student is identified as an EL and until he/she is reclassified as fluent English proficient (R-FEP), the summative assessment of the state’s designated English language proficiency test shall be administered to the student during a four-month period after January 1 as determined by the California Department of Education. (Education Code 313)

The state assessment shall be administered in accordance with test publisher instructions and 5 CCR 11511-11516.6. Variations and accommodations in test administration may be provided to ELs pursuant to 5 CCR 11516-11516.6.

Any student with a disability who is identified as an EL shall be allowed to take the assessment with those accommodations for testing that the student has regularly used during instruction and classroom assessment as delineated in the student’s Individualized Education Program (IEP) or Section 504 plan. If the student is unable to participate in the assessment or a portion of the assessment even with such accommodations, an alternate assessment for English language proficiency shall be administered to the student as set forth in his/her IEP. (5 CCR 11516 - 11516.7; 20 USC 1412)

(cf. 6159 - IEP)
(cf. 6164.6 - Identification and Education Under Section 504)

The parent/guardian of a student participating in, or identified for participation in, services for ELs as supported by federal Title I or Title III funds shall receive notification of the assessment of his/her child’s English proficiency. Such notice shall be provided not later than 30 calendar days after the beginning of the school year. If the student is identified as EL during the school year, within two weeks of the student’s identification, parents shall be notified. The notice shall include all of the following: (Education Code 440; 20 USC 6312)

   c. The manner in which the program and services will help the student develop his/her English proficiency and meet age-appropriate academic standards for grade promotion and graduation.

   d. The specific exit requirements for reclassification and the expected rate of graduation from secondary school if applicable.

Adopt Resolution of the Board of Directors of the Chula Vista Elementary School District Public Facilities Financing Corporation Authorizing the Execution by the Corporation of Various Documents with Respect to the Chula Vista Elementary School District 2022 Refunding Certificates of Participation, Series A in an Aggregate Principal Amount Not to Exceed $20,000,000 and Authorizing Related Action Therewith

X Action

BACKGROUND INFORMATION:

The Chula Vista Elementary School District Public Facilities Financing Corporation, a nonprofit public benefit corporation organized under the laws of the State of California, (the “Corporation”) is authorized pursuant to the Articles of Incorporation to assist in financing and refinancing public capital improvements that benefit the Chula Vista Elementary School District (“District”).

In order to provide funding for school facilities in the Mello-Roos/Community Facilities District (CFD) development areas, the District has issued debt through Certificates of Participation (COPs) or special tax bonds that are then paid from the Mello-Roos tax assessments. Since 2001, the District has issued 18 COPs payable through special taxes and has refunded (refinanced) seven. Based on analyses with District financial advisor Dale Scott & Company (DS&C), the 2013 Refunding Certificates of Participation, Series A, (the “Prior COPs”) are well positioned for a refunding. The Prior COPs were used to prepay various COPs issued in 2001, 2002 and 2003. An initial review estimates a potential 1.58 percent net savings or approximately $343,321 in reduced debt service.

ADDITIONAL DATA:

DS&C will provide financial advisory services, and Stradling Yocca Carlson & Rauth (“Stradling”) will provide bond and disclosure counsel services. A three-year agreement with DS&C was approved by the District on August 10, 2022, and a two-year agreement with Stradling was approved in 2021.
**FISCAL IMPACT/FUNDING SOURCE:**

This refunding is expected to generate an estimated savings of $343,321, or percentage present value savings of 1.58%. The Refunding COPs are expected to be repaid through locally collected special taxes. This refunding will reduce aggregate debt service payments and will not increase the term of the outstanding Prior COPs. Though the present value savings are lower than what is recommended by the District’s Debt Management Policy, staff recommends that the District and the Corporation proceed with the execution and delivery of the Refunding COPs because the present value savings will likely only decrease in the future. Given recent increases in market interest rates, this refunding may not be feasible at pricing time. However, the District and the Corporation are being asked to approve issuance of the Refunding COPs with the understanding that market interest rates must return to a level in which the above stated savings can be achieved before this transaction can occur. DS&C will continue to monitor market conditions in order to determine when a feasible refunding may proceed. The District will incur no costs if the refunding does not proceed.

**STAFF RECOMMENDATION:**

Recommend adoption.
On motion of Member ____________________, seconded by Member ____________________, the following resolution is adopted:

WHEREAS, the Chula Vista Elementary School District Public Facilities Financing Corporation is a nonprofit public benefit corporation organized and existing under the laws of the State of California (the “Corporation”) with the authority to assist in the financing and refinancing of the acquisition, construction, installation and equipping of certain capital improvements on behalf of the Chula Vista Elementary School District (the “District”);

WHEREAS, the District previously caused the execution and delivery of its $41,650,000 Chula Vista Elementary School District 2013 Certificates of Participation, Series A (Elementary School Building Projects) (the “2013 Certificates”) on April 3, 2013, for the purpose of prepaying certain certificates of participation of the District;

WHEREAS, the District now desires to authorize the execution and delivery of the Chula Vista Elementary School District 2022 Refunding Certificates of Participation, Series A (the “Certificates”) in order to prepay the 2013 Certificates on a current basis;

WHEREAS, in order to accomplish the prepayment of the 2013 Certificates, the District will lease certain real property and the improvements as described herein (the “Property”) to the Corporation pursuant to a Site Lease (the “Site Lease”) to be entered into by and between the District and the Corporation, and will sublease the Property back from the Corporation
Pursuant to a Lease Agreement (the “Lease Agreement”) to be entered into by and between the District and the Corporation;

WHEREAS, the District and the Corporation have determined that it would be in the best interests of the District and the Corporation to provide the funds necessary to prepay the 2013 Certificates through the sale and delivery of the Certificates, pursuant to a Trust Agreement (the “Trust Agreement”) to be entered into by and among U.S. Bank Trust Company, National Association (the “Trustee”), the Corporation and the District;

WHEREAS, all rights to receive such lease payments will be assigned, without recourse, by the Corporation to the Trustee pursuant to an Assignment Agreement (the “Assignment Agreement”) to be entered into by and between the Corporation and the Trustee;

WHEREAS, in consideration of such assignment and the execution of the Trust Agreement, the Trustee will execute and deliver the Certificates, each evidencing a direct, fractional undivided interest in the lease payments to be paid by the District under the Lease Agreement;

NOW, THEREFORE, this Board of Directors hereby ORDERS, RESOLVES and DETERMINES, as follows:

The Property to be leased under the Site Lease shall consist of all or a portion of the Hedenkamp Elementary School and the Heritage Elementary School, and/or one or more other school sites or school facilities selected by the District and determined by the District to have an annual fair market rental value at least equal to the annual lease payments to be made under the Lease Agreement.

SECTION 3. The form of the Lease Agreement, on file with the Secretary of the Corporation, is hereby approved, and each of the Authorized Officers, acting alone, is hereby authorized and directed, for and in the name and on behalf of the Corporation, to execute and deliver the Lease Agreement in substantially said form, with such changes therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that the aggregate amount of principal components of the lease payments payable under the Lease Agreement shall not exceed $20,000,000, the term of the Lease Agreement shall end on or before September 1, 2028 (provided that such term may be extended as provided therein), the prepayment of the 2013 Certificates being prepaid will result in positive net present value savings, as calculated by the District’s Municipal Advisor, and the rate applicable to the interest components of the lease payments payable under the Lease Agreement shall not exceed 12% per annum.
SECTION 4. The form of Trust Agreement, on file with the Secretary of the Corporation, is hereby approved, and each of the Authorized Officers, acting alone, is hereby authorized and directed, for and in the name and on behalf of the Corporation, to execute and deliver the Trust Agreement in substantially said form, with such changes therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.

SECTION 5. SECTION 7. The execution and delivery of the Certificates evidencing principal in an amount not to exceed $20,000,000, payable in the years and in the amounts, and evidencing interest as specified in the Trust Agreement as finally executed, are hereby authorized and approved.

SECTION 8. In the event that the Superintendent of the District determines that a direct placement of the Certificates with a lender, or the entry of a directly placed lease with a lender, would be more beneficial to the District than a negotiated sale of the Certificates to the Underwriter, then the Authorized Officers are authorized to take any actions and make any changes to the documents herein approved, and to execute any additional documents as needed, in order to effect such a direct placement.

SECTION 9. The officers of the Corporation are hereby authorized and directed, jointly and severally, to do any and all things which they may deem necessary or advisable in order to consummate the transactions herein authorized and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, including making the necessary filings for the Corporation to obtain and maintain its tax exempt status and executing any and all documents necessary to unencumber the Property.
