   Jennifer Diaz, Student Attendant
   Yannina Famoso, Accounting Technician II
   Paulinna Garcia, Administrative District Psychologist
   Josefa Ortiz, Child Nutrition Services III
   Roxana Vargas-Ibarra, Child Nutrition Services III
   Lelani Velasco, Instructional Assistant Special Education

B. Recognition of Schools with the Highest Attendance and Most Improved Attendance for the Month of September
   Dr. Tessier shared that the District and schools have placed much emphasis and student attendance returning from the pandemic. Two schools recognized were Olympic View with the highest attendance at 94.82% attendance rate, and Tiffany with the most improved attendance at 2.51% attendance increase.
   Principal Lines from Olympic View shared that creating an environment where students feel they are missed when they are
absent, setting up carpools, and letting parents know their child is loved creates a positive impact on student attendance.

Principal Dr. Sutton from Tiffany acknowledged her amazing teachers and staff for increasing communication to parents about the importance of children being in school. Board Members presented Certificates of Recognition to each school.

C. Recognition of 2022 Positive Behavior Intervention and Support Award Recipient

Dr. Tessier introduced Senior Director Student Family and Community Services Lisa Forehand to share the process of Positive Behavior Intervention and Support (PBIS). PBIS is a tool that provides valid, reliable, and efficient measures in which a school applies the core features of positive behavior. It is composed of three tiers. Tier I is schoolwide, Tier II is targeted interventions and supports, and Tier III is intensive interventions and supports. The requirements to qualify this year have been more challenging as schools transition back from COVID. Schools meeting the requirements of the Tiers received Gold, Silver, or Bronze recognition. Of notable recognition, this is the first year that CVESD earns Gold Recognition, and there were seven schools in this category.

Staff members received the awards for their respective schools.

Board Members had the opportunity to comment and congratulate each school.

Dr. Reyes took a brief moment to recognize the artwork on the wall in the room from students at Marshall, Cook, Casillas, Otay, Rohr, and Finney which represents the amazing VAPA program. The artwork represents the Orff approach which is used to provide an opportunity to awaken an individual's artistic potential. He also thanked the Board for supporting the VAPA program.
8. COMMUNICATIONS TO THE BOARD OF EDUCATION

A. Chula Vista Classified Employees Organization
   Union Member Dianna Lopez emphasized that paraprofessionals play an important role in the classroom just as teachers do. Having a manual at the time of hire would be helpful for each member's roadmap to success. She also stressed the importance of adding additional behavior specialist at each site.

B. Chula Vista Educators
   President Rosi Martinez stated that staff continues to struggle with student behavior while trying to provide high quality education. She feels that staff members working and responding with students struggling with traumas need more professional development, strategies, and needed tools to be successful. It is important to include CVE in these talks for added support.

C. Administrators Association Chula Vista
   President Maria Theresa Corona introduced the members of this new association Administrators Association of Chula Vista (AACV): Executive Director Donis Cornell, and the Board of Directors Vice President Bill Willis, Secretary/Treasurer Patricia Magana, Communications/Social/Scholarship Chairperson Ruth Diaz De Leon, Association Principal Representative Karon Schnitzer, Bargaining Chairperson Melody Belcher.

   She shared that the group is looking forward to building a relationship and having a voice at the table as AACV with our District leadership and Board Members for continued growth and improvement across the District and want the best for our students.

9. ORAL COMMUNICATIONS

The Oral Communications section provides the public with an opportunity to address the Board on non-agenda items. Persons wishing to be heard may attend in person and should complete a "Request to Be Heard" card and submit it to the Recording Secretary before the start of the meeting or call 619-679-9001 prior to the start of the meeting. Speakers are requested to limit their remarks to three minutes and speak in a respectful and professional manner. The Board shall limit the total time for public input on each topic to 20 minutes. With Board consent, the President may increase or decrease the time allowed for public comments depending on the number of persons wishing to be heard. No Board action can be taken.

- Jessica Gold (Call-In) addressed the District policy on playing tag
- Maria requested a list of all library books in every school
• Delia Dominguez Cervantes regarding students with behavioral issues
• Rosie Rodriguez regarding safety forum, school safety training, and deferred maintenance
• Mike Caballero regarding school safety protocols, facilities, and repairs

10. ORAL PRESENTATIONS AND WRITTEN REPORTS

A. District Safety/Health Update

Mr. Jason Romero shared a brief COVID update. The District is in constant connection with the Department of Health. We have a commitment to provide testing kits. Remote testing continues to be available at the District and school sites. With the upcoming cold season there is a potential for increased flu cases. Furthermore, there is a new COVID booster for ages five and up.

CVESD has partnered with Campus Clinic. Campus Clinic has provided 10 full time licensed pediatricians to school sites, a $2 million commitment. Pediatricians will address regular routine illnesses such as a cold or flu, as well as other serious injuries. This program ensures all students have the no-cost opportunity to a safe and healthy environment. Parents must give their consent to have children seen for continued care.

School cameras were provided by a grant from Community Oriented Policing Services (COPS) for 15 schools identified by CVESD, four cameras per site, and limited funding for installation, training, and equipment. CVESD identified 20 schools: Allen, Castle Park, Cook, Halecrest, Harborside, Lauderbach, Loma Verde, Marshall, Montgomery, Otay, Palomar, Parkview, Rice, Rogers, Rohr, Rosebank, Sunnyside, Tiffany, Valle Lindo, and Vista Square. Harborside is the first site with completed camera installation. Each of the four cameras are the latest, 2022 models, 4-in-1 camera, with 360 degrees view, linked to CVPD, instant accessibility to recordings, easy to operate, facial distortion for children’s privacy and protection, motion detection, and audio recording, maximum storage, secured access, and many more features.

The Comprehensive School Safety Plan (CSSP) is required by the California Department of Education (CDE), and the District has a Board policy in compliance with the CDE. The plan (each school has its own tailored plan) is in its final draft, to be presented for Board approval in December, and submitted to the CDE in January. Furthermore, a safety consultant was recruited to analyze every single school site.

• Delia Dominguez Cervantes inquired about using bond measure funds for safety
Board Members had an opportunity to ask questions.

Member Bishop inquired about sites physicians are serving, criteria used for the camera grant, safety committees, safety community forum, safety trainings, volunteers, TB testing, tag, and safe routes to school.

Mr. Romero shared that Campus Clinic is exclusive to CVESD. We are pioneering in unchartered territories in health community connections. Dr. Reyes and Mr. Romero approached the founder of the program to ask for medical services to our students. The president from Texas and vice president from Tennessee came to Chula Vista for a meeting and granted the request. All 50 sites are served by pediatricians, assigned on a rotating schedule similar to an “on-call” pediatrician.

Selection process for safety committees will be provided in a Board update. Responses to the four most common questions at the Safety Community Forum were sent right before fall break via a Safety Update to 30,000 families, and the remaining questions were sent last Friday. Safety training for employees is provided monthly during safety drill practice.

Regular volunteers are considered as more than two days a week and need to complete all volunteer requirements. The Board is within its purview to modify the current administrative regulation. This does not require Board approval. Ed. Code will be researched and reviewed with legal counsel prior to revising.

TB testing is an option that will be presented to Campus Clinic as an additional service.

There is no district policy preventing tag, but due to safety reasons and recent severe injuries it is at the site discretion to prohibit it.

The City engineering department and CVESD reviewed dangerous crosswalks, modifications were made, but the issue continues to be drivers not complying with signs and/or the law such as running stop signs or speeding.

Mr. Fernandez requested two-way conversations for the next safety forum, and fence repairs.

Work orders for safety will be brought to the top of the list. The best way to address concerns at the sites is with the principal. If you see something, say something.

Ms. Ugarte shared that traffic safety is a partnership with parents. There are times when drivers do not follow rules and students are dropped off or picked up in dangerous areas. This is not safe.
B. Report on District Impact Teacher Efforts

Dr. Tessier shared the progress of the Impact program this year and serving schools with the most need. There are 12 top unduplicated sites with 90% of the student population either foster, low income, or English learners. He introduced Senior Director of Curriculum and Instruction Rochelle Carroll and presented on Impact. Currently, there are 44 schools served, 60 impact teachers hired, and 2,612 students supported. The program works on a tiered system of support, focusing on students in grades 3-6. Each impact teacher has a student caseload of approximately 55. Services will be expanded at sites not having the number of students meeting the criteria.

Ms. Carroll featured the different techniques used to help student reading and comprehension. Lauderbach Impact Teacher Ms. Antonio De Jerez shared success stories of students who excelled from these services.

Board Members acknowledged and commended the teachers and staff providing the critical and valuable support to these children in need.

President Ugarte requested a break at 8:14 P.M. and meeting reconvened at 8:23 P.M.

11. APPROVE CONSENT CALENDAR (Action)

The following items listed under Consent Calendar are considered by the Board in one action. There will be no discussion on these items prior to the time the Board votes on the motion unless members of the Board, staff, or public request specific items to be discussed and/or removed from the Consent Calendar.

Prior to approval of the Consent Calendar, the Public has pulled Item 11.A., F, M, and Member Fernandez Item 11.C.

Motion: TAMAYO, Second: BUNKER, Vote: UNANIMOUS

A. Adopt Board of Education Meeting Minutes: Regular Meeting September 14, 2022

- Delia Dominguez Cervantes requested to elaborate her comments on page 38 by adding, “...by the social worker and the need for a bilingual parental consent form specific to services being rendered and keeping parents informed.”

M. Adopt Resolution Requesting Temporary Transfer of Funds for Fiscal Year 2022-23
   - Delia Dominguez Cervantes inquired about the duration of temporary transfer of funds.

Mr. Esquivel shared that the County of San Diego requires school districts to approve the temporary transfer of funds after the adopted budget is approved. Additionally, the property tax distribution date is now December 20th, rather than December 14th, payroll is December 16th, therefore we need the additional option to borrow funds before payroll should we need it. This is a standard practice for districts across the County.

Approved.
