EDUCATION FOR ENGLISH LEARNERS

Definition

English Learner (EL) means a student who is age 3-21 years, who is enrolled or is preparing to enroll in an elementary or secondary school, and whose difficulties in speaking, reading, writing, or understanding the English language may be sufficient to deny the student the ability to meet state academic standards, the ability to successfully achieve in classrooms where the language of instruction is English, or the opportunity to participate fully in society. An EL may include a student who was not born in the United States or whose native language is a language other than English; a student who is Native American or Alaska Native, or a native resident of the outlying areas, who comes from an environment where a language other than English has had a significant impact on the individual’s level of English language proficiency; or a student who is migratory, whose native language is a language other than English, and who comes from an environment where a language other than English is dominant. (Education Code 306; 20 USC 7801)

Native speaker of English means a student who has learned and used English in his/her home from early childhood and English has been his/her primary means of concept formation and communication. (Education Code 306)

The District shall offer the following language acquisition instructional programs and language acquisition services for ELs:

Structured English Immersion is an instructional service for ELs in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. (Education Code 306)

The Dual Language Immersion Instructional Program provides integrated language learning and academic instruction for native speakers of English and native speakers of another language, with the goals of high academic achievement, first and second language proficiency, and cross-cultural understanding.

Identification and Assessment

Upon enrollment in the District, each student’s primary language shall be determined through the use of a home language survey. (Education Code 52164.1; 5 CCR 11307)

(Education Code 313, 52164.1; 5 CCR 11511)

Each year after a student is identified as an EL and until he/she is reclassified as fluent English proficient (R-FEP), the summative assessment of the state’s designated English language proficiency test shall be administered to the student during a four-month period after January 1 as determined by the California Department of Education. (Education Code 313)

The state assessment shall be administered in accordance with test publisher instructions and 5 CCR 11511-11516.6. Variations and accommodations in test administration may be provided to ELs pursuant to 5 CCR 11516-11516.6.

Any student with a disability who is identified as an EL shall be allowed to take the assessment with those accommodations for testing that the student has regularly used during instruction and classroom assessment as delineated in the student’s Individualized Education Program (IEP) or Section 504 plan. If the student is unable to participate in the assessment or a portion of the assessment even with such accommodations, an alternate assessment for English language proficiency shall be administered to the student as set forth in his/her IEP. (5 CCR 11516 - 11516.7; 20 USC 1412)

(cf. 6159 - IEP)
