

# Updated COVID Protocols

**Effective: August 19, 2022**

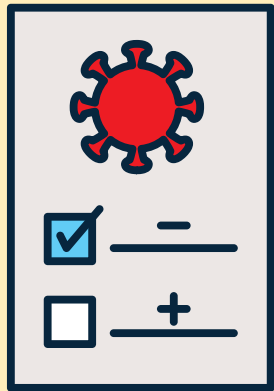

*Protocols could change based on transmission data. See [mwwsd.org/ReturnToLearn](https://mwwsd.org/ReturnToLearn) for the latest*

## CLASSROOM MASKING OPTIONAL

General classroom indoor masking for students and staff members is **recommended but not required indoors and outdoors** based on current transmission rates. (Source: CDC) MVWSD plans to continue masking at large group events indoors on campus.

## NO CAMPUS COVID-19 TESTING

The on-campus testing program will not continue this year, per the state's guidelines. During the school year, **students will bring home rapid antigen tests** for use before returning from school breaks.

## PARENTS ON CAMPUS

Parents and children may be on campus inside the fences **until the bell rings at the start of the day**, and can return **after the dismissal bell rings**. Volunteers must mask and badge.

## KEEP SICK CHILDREN HOME

Sick individuals who test positive or are symptomatic should mask and be isolated for 5 days or more. If your child's COVID-19 test is negative, they may return to school 24 hours after fever ends.

## CLEANING PROTOCOLS CONTINUED

Our mitigation strategies such as hand washing/ sanitizing, cleaning protocols and high-quality air filtration will continue.
