2020-21 School Accountability Report Card

Published in the 2021-22 School Year

District Mission Statement

We inspire, prepare and empower every student.

District Vision Statement

Every student, family, staff and community member is engaged and committed to learning in a collaborative, diverse and innovative partnership.

District Goals

- Effective and consistent instructional practices that meet the needs of all students
- Student social-emotional health
- Inclusive and welcoming culture
- Effective and engaged employees
- Equitable distribution of resources that support student success

District Administration

The district is led by Superintendent Dr. Ayindé Rudolph. Community members may contact Dr. Rudolph by either calling the district office at (650) 526-3500 or sending an email to supt@mvwsd.org. The district's leadership team consists of Chief Business Officer, Dr. Rebecca Westover; Chief Academic Officer, Cathy Baur; and Chief Human Relations Officer, Tara Vikjord.

Dr. Rudolph has been the Superintendent since 2015. He has a Doctorate in Education in Leadership, Policy and Organizations from Vanderbilt University. He also holds an Educational Specialist degree in Educational Leadership and Administration as well as a Master of Education in Secondary Education from George Washington University. He earned his Bachelor of Arts in History from Wittenberg University.

Board of Education

The Mountain View Whisman School District's Board of Trustees functions as the legislative body of the district and establishes the vision, goals and policies by which the school district is operated. Residents of the District are eligible to run for election to overlapping four-year terms. Trustees are elected by the registered voters of the district. The elected members of the MVWSD Board of Trustees are here to serve the community. Community members may contact trustees by either calling (650) 526-3552 or sending an email to trustees@mvwsd.org. Laura Blakely, Christopher Chiang, Devon Conley, Jr., Laura Ramirez Berman, and Ellen Wheeler are serving as trustees for the Mountain View Whisman School District.

SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC) by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.
- To view our SARC online, please visit our website or scan the QR code to the right.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English Learners).

California School Dashboard

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. Senate Bill 98 suspended the reporting of state and local indicators on the 2020 California School Dashboard and only limited data and information will be posted for the 2020-21 school year. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

Community & School Profile (School Year 2021-22)

Mountain View Whisman School District (MVWSD) is located in Mountain View, California, a suburban community of over 77,000 approximately 35 miles south of San Francisco. The award-winning district serves a diverse student population in preschool through eighth grade representing a wide range of ethnicities, languages, cultures, and economic status. The district serves 5,000 students in nine elementary schools and two middle schools. After graduating from middle school, students arrive prepared at the Mountain View-Los Altos Union High School District; one of the best in the state.

The District provides a broad curriculum that includes art, music (with community support from the Mountain View Educational Foundation), physical education, and specialized programs at some schools such as Spanish-English Dual Immersion (Mistral) and parent participation (Stevenson). Students and staff have ready access to technology in a 1:1 environment to enhance and support student learning as well as to support the work of teachers, principals, and district-level staff.

Within MVWSD, there is a culture of dedication and commitment to serving the students at all levels. The community is open and embraces the students, staff, and District. All stakeholders are willing to do what is required to improve students' learning experiences and outcomes.

Community partnerships provide a wide range of support and enrichment for student learning including opportunities for after-school activities and field trips. A large percentage of parents are also engaged in supporting schools as volunteers, committee members, decision makers, and advocates for their children.

Principal's Message

The Mariano Castro School community empowers our diverse student population with the skills and knowledge to become lifelong learners prepared for the world ahead. We believe in meeting students where their skills are and design the instruction to build and accelerate academic skills to close the Opportunity Gap the students face. Our Core Values of Be Safe. Be Respectful. Be Responsible. Be Perseverant. allows the staff to establish, teach, and reinforce expectations for the school community that ensure a school culture and environment that is. consistent, safe, predictable, and equitable.

School Enrollment

These charts display school enrollment broken down by grade and student group.

Enrollment Trend by Grade Level

	2020-21
K	43
1st	46
2nd	48
3rd	50
4th	56
5th	63
Total	306

Enrollment by Student Group

2020-21

	Percentage
Black or African American	0.0
American Indian or Alaska Native	0.0
Asian	3.9
Filipino	0.7
Hispanic or Latino	87.9
White	5.9
Two or More Races	1.6
EL Students	62.1
Socioeconomically Disadvantaged	85.9
Students with Disabilities	13.7
Homeless	19.6

Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Assignment

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered ineffective under ESSA), credentialed teachers who are assigned out-of-field (considered out-of-field under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

Teacher Preparation and Placement - 2019-20						
Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	19	100.0	267	99.2	228,366.1	83.1
Intern Credential Holders Properly Assigned	0	0.0	1	0.8	4,205.9	1.5
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0	0.0	0	0.0	11,216.7	4.1
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0	0.0	1	0.8	12,115.8	4.4
	0	0.0	0	0.0	18,854.3	6.9
Unknown	19	100.0	269	100.0	274,759.1	100.0

Teachers Without Credentials and Misassignments - 2019-20	
Authorization/Assignment	Number
Permits and Waivers	0
Misassignments	0
Vacant Positions	0
Total Teachers Without Credentials and Misassignments	0

Credentialed Teachers Assigned Out-of-Field - 2019-20	
Indicator	Number
Credentialed Teachers Authorized on a Permit or Waiver	0
Local Assignment Options	0
Total Out-of-Field Teachers	0

Class Assignments - 2019-20	
Indicator	Number
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0

School Facilities (School Year 2021-22)

Castro Elementary sits on 9.25 acres that is shared with Mistral and the preschool at Latham. It has 21 permanent rooms, a multi-use room, a library, two playgrounds, and front office space with a staff room.

Cleaning Process

The principal works with the custodial staff to ensure classrooms, restrooms, and campus grounds are kept clean, safe, and well-maintained.

The District provides comprehensive cleaning standards and prioritization guidelines. Each custodial staff member receives job training to attain a thorough understanding of their individual responsibilities regarding maintenance procedures, daily responsibilities, performance expectations, and safety measures.

The custodial staff and principal inspect facilities for safety hazards or other conditions that need attention. They communicate daily regarding campus maintenance and safety issues. Restrooms are checked periodically throughout the day and cleaned as needed. Daily housekeeping and cleaning takes place in the evening. When students and staff are on school break, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

Additionally, the school has a COVID-19 checklist and the principal updates the health and cleaning protocol every week. This document is uploaded on the school website.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service with emergency repairs given the highest priority.

The District's maintenance department inspects facilities and operating systems at the school. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). The Mountain View Whisman School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs.

The chart shows the results of the most recent school facilities inspection (as of September 2021). While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

School Facility Conditions				
Date of Last Inspection: 09/30/2021				
Overall Summary of School Facility Conditions: Exemplary				
Data Collected: October, 2021				
Items Inspected	Facility Component System Status			Deficiency & Remedial Actions Taken or Planned
	Good	Fair	Poor	
Systems (Gas Leaks, Mech/HVAC, Sewer)	X			
Interior	X			
Cleanliness (Overall Cleanliness, Pest/Vermin Infestation)	X			
Electrical	X			
Restrooms/Fountains	X			
Safety (Fire Safety, Hazardous Materials)	X			
Structural (Structural Damage, Roofs)	X			
External (Grounds, Windows, Doors, Gates, Fences)	X			

Instructional Materials (School Year 2021-22)

The school district held a public hearing on September 9, 2021, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers, parents, and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in September 2021 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

District-Adopted Textbooks						
Data Collected: September, 2021						
Grade Levels	Subject	Publisher	Series	Adoption Year	From Most Recent Adoption	% Lacking
TK-5	English/Language Arts	Benchmark Education Company	Benchmark Advance	2016	Yes	0.0%
TK-5	History/Social Studies	Teacher's Curriculum Institute	Social Studies Alive! California Series	2020	Yes	0.0%
TK-5	Mathematics	Eureka Math	Eureka Math	2015	Yes	0.0%
TK-5	Science	Teacher's Curriculum Institute	Bring Science Alive! Exploring Science	2020	Yes	0.0%

Pupil Outcomes State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based and paper-pencil assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. There is also an optional Standards-based Test in Spanish (STS) for Reading/Language Arts (RLA). Additionally, California Science Test (CAST) and CAAs for Science based on the Next Generation Science Standards for California Public Schools (CA NGSS) are administered in grades five, eight, and once in high school.

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student's academic performance. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student's academic achievement, including such measures as district assessments, classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

Due to the COVID-19 pandemic, a statewide summative assessment was not the most viable option for student assessment for many schools. For the 2019–2020 school year, the statewide academic testing requirement was waived. For the 2020-2021 school year, districts and schools were allowed to administer a different assessment that met the criteria established by the State Board of Education. The locals assessments used instead were required to be aligned with California Common Core State Standards for English Language Arts and Mathematics, available to students in grades three through eight, and grade 11; and must have been uniformly administered all eligible students across a grade, grade span, school, or the district. Schools administered the Smarter Balanced Summative Assessments for English Language Arts and Mathematics, other assessments that meet the State Board of Education criteria, or a combination of both.

Unfortunately, the California Alternate Assessments could only be administered in-person following health and safety requirements. At this time, there are no other alternative assessment options available. If the district or school was not able to administer the California Alternate Assessments in person, they were directed to not administer the tests.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The Percent Met or Exceeded is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: When local assessments were administered in place of statewide summative assessment, the at or above the grade-level standard is determined in the context of the local assessment administered.

California Assessment of Student Performance and Progress						
Percent of Students Meeting or Exceeding the State Standards						
Subject	School		District		State	
	2020	2021	2020	2021	2020	2021
English Language Arts/Literacy (Grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	48.53
Mathematics (Grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	33.40
Science (Grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	28.72

IReady - Local Assessment Results

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

Physical Fitness (School Year 2020-21)

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students who meet or exceed the standards in all six fitness areas are considered to be physically fit or in the Healthy Fitness Zone (HFZ). Due to the COVID-19 pandemic, administration of the physical fitness performance test was waived during the 2019–2020 and 2020–2021 school years. Therefore, there is no data to report for the 2020-21 school year. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

Percentage of Students in Healthy Fitness Zone			
2020-21			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	N/A	N/A	N/A

**Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Parent Involvement (School Year 2021-22)

In typical school years, Castro Elementary School has a very strong and active parent community. There are several avenues for parents to become involved:

School Site Council (SSC)

-----The School Site Council involves parents and staff in the school's academic program evaluation and improvement. The SSC examines and analyzes school academic and behavior data, student growth data, and budget usage to meet the needs of all students but especially students who are part of the state identified unduplicated student groups needing additional support.

Parent Teacher Association (PTA)

-----The PTA is very active in providing classroom and school materials and equipment, training volunteers, providing parent education classes, and in fundraising for the school.

English Learner Advisory Committee (ELAC)

-----The English Learner Advisory Council involves parents of English Learner students and staff in evaluating and improving the English Learner program at the school. Parents also are able to hear important information about the English Learner program, how students progress to become Redesignated as Fluent in English, and ask questions to school staff.

Parent-Principal Coffees

-----The principal holds monthly coffees with the parent community to discuss current happenings at the school, policies and procedures, student academic and behavior data, as well as provide parent education on school initiatives. Parents are able to also ask questions of the principal about the school or their students. The coffees are currently held virtually.

The school enjoys partnerships with the following community members and organizations:

- Community Services Agency
- Mountain View Police PAL Program
- Community Health Awareness Council (CHAC)
- UpLift Family Services
- CSMA (Community School of Music and Art)
- Family Giving Tree (backpack donations)
- Jewish Coalition for Literacy (will be doing parent literacy workshops)
- Living Classroom
- Pure Good Foundation (holiday gift donations for families)
- Reach Potential (books/bookcase donations)
- Rhythm & Moves (Physical Education)
- Right at School (After school care)
- YMCA (After school care)
- Beyond the Bell (After school care)
- St. Simon (school supply donations)
- Santa Clara County - Behavioral Health Services (School Linked Services)

Assistance League of Los Altos (supplies, books, and materials for the student store)

This year, the school is following guidelines in order to best replicate parent and community volunteerism while adhering to current COVID-19 restrictions.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- Attendance

Chronic Absenteeism

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism by Student Group				
2020-21				
	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
Asian	16	15	0	0.0%
Hispanic or Latino	288	287	41	14.3%
White	22	20	0	0.0%

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Discipline & Climate for Learning

Students at Castro Elementary School are guided by The Dolphin Way, as set of universal expectation that are used across all areas of the school and classrooms for all students grades kindergarten to fifth grade. These expectations promote and define for students respect, responsibility, perseverance, and safety. Students are explicitly taught the schoolwide and classroom expectations and procedures at the beginning of the year, as well as, periodically throughout the year per the academic calendar or as needed according to discipline data. Students are recognized for meeting or demonstrating the schoolwide expectations with Dolphin Dollars (token economy) that can be spent on prizes at the Dolphin Treasure Store. Students also are provided feedback via verbal praise, Class Dojo points, class goals, and contact with parents. A universal, progressive discipline policy is used with students who do not meet the expectations; this policy includes defining teacher-handled behavior interventions or supports and office-handled behavior infractions. Parents and students are informed of The Dolphin Way expectations, recognition and discipline policies at Back-To-School Night held at the beginning of the school year. Throughout the year, behavior and discipline policies are reviewed in school newsletters, via parent emails, as well as through individual parent contact, Open Houses, and classroom newsletters or emails. All the schools in our district have initiated positive school climate procedures that include specific anti-bullying activities. Students who are sent to the office for behavior infractions will have both a consequence that matches the inappropriate behavior in addition to parent contact.

Suspensions & Expulsions

The tables display the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2019–2020 and 2020-2021 suspension and expulsion rate data are not comparable to prior year data. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

	Suspensions & Expulsions					
	Suspensions			Expulsions		
	18-19	19-20	20-21	18-19	19-20	20-21
School	1.29	1.69	1.20	0.00	0.00	0.00
District	1.27	1.23	0.26	0.00	0.00	0.00
State	3.47	2.45	0.20	0.08	0.05	0.00

	Suspensions and Expulsions by Student Group	
	2020-21	
	Suspensions Rate	Expulsions Rate
Asian	0.0	0.0
Hispanic or Latino	0.0	0.0
White	0.0	0.0

Safe School Plan (School Year 2021-22)

The safety of students and staff is a primary concern of Castro Elementary School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed and updated annually in the spring by the School Site Council, parents, and staff. The plan was most recently updated and reviewed in March 2021.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Students are supervised before school by yard duty personnel and the principal. After-school supervision is provided by yard duty personnel with noon supervisors covering during lunch, and teachers supervising during recess. The school enforces a closed-campus policy during school hours to ensure student safety. Visitors must sign in at the office, wear a visitor's badge at all times while on campus, and sign out upon leaving the school.

During the COVID-19 pandemic, protecting the health and safety of our staff, students and families is a priority. MVWSD has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, use of personal protective equipment, symptom screening, social distancing, hygiene practices, testing, and responding to positive cases.

Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

School Leadership

Leadership at Castro Elementary School is a responsibility shared between district administration, the principal, instructional staff, students, and parents.

Leadership opportunities at Castro Elementary School include the School Leadership Team and various school and district committee positions. Parent leadership opportunities are abundant at Castro. PTA, School Site Council (SSC), and English Language Advisory Council (ELAC) meet regularly and sponsor numerous student and family events.

Class Size

The table indicates the average class size by grade level, as well as the number of classrooms that fall into each size category.

Class Size Distribution												
	Classrooms Containing:											
	Average Class Size			1-20 Students			21-32 Students			33+ Students		
	19	20	21	19	20	21	19	20	21	19	20	21
By Grade Level

4	24	22	28	-	1	-	2	2	2	-	-	-
5	24	29	32	-	-	-	2	2	1	-	-	-
Other	-	15	12	-	2	2	-	-	-	-	-	-

Counseling & Support Staff (School Year 2020-21)

It is the goal of Castro Elementary School to assist students in their social and personal development as well as academics. The school gives special attention to students who experience academic achievement struggles, difficulty coping with personal and family problems, trouble with decision-making, or handling peer pressure. The school has a full time School Counselor, and partners with the Community Health Awareness Council (CHAC) and Uplift Family Services which provide counseling interns to assist students with their emotional needs. Currently, Castro Elementary School employs a School and Community Engagement Facilitator and an At-Risk Supervisors who proactively assist students and families with academic, social and emotional struggles.

The table lists the support service personnel available to students at Castro Elementary School. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent
At-Risk Intervention Supervisor	1	1.0
Community Engagement Facilitator	1	1.0
Library Technician	1	0.5
Nurse	1	As Needed
Paraprofessional	5	3.75
Psychologist	1	As Needed
Resource Specialist Program (RSP) Teacher	1	1.0
Response to Instruction Teacher (CERT)	1	1.0
Speech Pathologist	1	As Needed
Teacher on Special Assignment	2	2.0

GATE

With the implementation of the Local Control Funding Formula, the state of California no longer provides specific funding for Gifted and Talented Education (GATE). Consequently, the District no longer formally assesses its students for GATE qualification. Nevertheless, MVWSD is committed to providing challenging and inspiring opportunities for gifted and talented students. Each school site receives District funding to support enrichment and extracurricular activities designed to challenge students.

Castro Elementary School offers enrichment programs to identified students. Parents take the lead in developing enrichment activities.

Individualized Instruction

Special Education students receive support from a Resource Specialist Teacher and/or Aide as determined by their Individualized Education Plan (IEP). Teachers and assistants work with the special education students on a pull-out basis as well as within their classrooms.

English Language Learners

English Language Learners (ELL) receive specialized services and instruction in an environment conducive to maximizing English learning. Students are provided designated and integrated language instruction in learning groups defined by their English Language Proficiency Assessments for California (ELPAC) level. All teachers are trained in the Sheltered Instruction Observation Protocol and provide integrated English Language Development opportunities throughout the school day.

Staff Development

All training and professional development at Mountain View Whisman School District revolve around providing the best education and comprehensive support for all students. The district sponsors six full staff development days annually where teachers and support staff are offered a broad-based variety of professional growth opportunities to enhance their teaching and support practices. As part of the growth process, additional opportunities for training and staff development are provided at both the district and individual school sites to both certificated and classified staff throughout the school year as well as during non-contracted times. Teaching skills are built and educational concepts developed by staff participating in many conferences and workshops throughout the year, and then sharing their experiences and knowledge with district colleagues. Staff members are encouraged to attend district sponsored training and professional development programs.

Recent topics for continuous development and learning available to staff include:

General Education

- SIOP for new teachers and administrators
- Distance Learning : Overview, Expectations, Implementation
- Health and Safety Guidelines
- Virtual Assessment Protocol
- Using Securly - Device Management
- Learning Management System - Google Classroom
- Instructional Technology Trainings: Seesaw 101, Zoom, Kami
- TechSmart Coding Training
- Enhancing Student Engagement over Virtual Platforms
- STEM Connect - Discovery Education Training for Instructional Coaches, STEAM teachers, and administrators
- Digging Deeper into iReady Training for Instructional Coaches, Site Administrators
- Supporting ELs - Small group instruction, RTI, Vocabulary, Designated ELD
- TCi Social Studies Curriculum Training for middle and elementary school teachers
- TCi Science Curriculum Training for elementary school teachers
- Building Inquiry through 5Es Across Content Areas for middle school teachers

Special Education

- Desired Results Developmental Profile training for Preschool
- Goalbook Toolkit training for all staff
- Individual Education Plans and IEP Manual training for all staff
- Social Skills Development for Speech Therapists
- Special Education Services Referral Protocols for all staff
- STAR-SOLS Training for teachers of students with autism
- SPIRE Training for Education Specialists
- Legal Training for all staff
- Beginning Technology training for Instructional Assistants
- Deeper Dive into Technology in the classroom for Instructional Assistants
- CPR Certification for Instructional Assistants
- Data Collection training for Instructional Assistants
- Facilitated IEP process for School Psychologists

Classified Staff

Secretaries

- Attendance and Engagement protocols
- COVID-19 training and compliance
- Daily Screeners
- Protocols
- Reporting
- Budget and Purchasing

Food Service

- COVID-19 training and compliance
- Safety

Maintenance, Operations and Transportation

- COVID-19 training and compliance
- Scenario based maintenance and grounds training
- Transportation Training
- Custodian cleaning and safety training

Librarians

- Advanced training on the library catalog system as well as ebook management

The table displays the number of full days that a professional development opportunity was available. Many professional development opportunities are offered during portions of other days. Not all staff will attend each professional development opportunity. Different opportunities are offered to staff throughout the year based on job description and duties of individual sites and departments.

Curriculum Development

All curriculum development at Castro Elementary School is based on the California Common Core Standards. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

Teaching faculty, support staff, school subcommittees, the School Site Council, the English Learner Advisory Committee (ELAC), and the principal evaluate the effectiveness of Castro Elementary School's curriculum by continuously using assessment data, district benchmarks, and pacing guides. Each day, Mariano Castro Elementary School provides dedicated time for intervention and enrichment through the school's Response to Instruction program. The District provides one additional teacher and a tutor to support this initiative.

Student progress is monitored through ongoing assessment and is conveyed to parents in a variety of ways including: direct teacher-parent communication, during parent/teacher conferences held in January, through report cards that are delivered at the end of each trimester as well as through the Parent Portal where parents can view assessment results at the end of each trimester. Student data and progress is also discussed and monitored during grade level collaboration time between the teachers, the instructional coach, and principal. The principal and individual staff members also discuss student assessment data, progress, and concerns as needed and appropriate.

Extracurricular Activities

Students are encouraged to participate in the after school academic tutoring programs offered through the MVWSD Learning Recovery Plan. During the school day students are invited to various lunch groups that meet to discuss social emotional learning, build social skills, or provide students a place to discuss topics that are pertinent to other students like themselves (for example: New Comer Support Group, Tween Girls group, Police Activity League Mentoring). Students are offered the opportunity to sign up to be a student volunteer and support morning drop off/afternoon pick up, peer mediation, and recess set up and clean up

Once it is safe to have outside groups on campus, Castro will again be able to offer extracurricular activities for students. Examples from past years are:

- Chess Club
- Folklorico Dance
- Garden Club
- Chorus
- Coding
- STEAM
- Writing
- Art
- Lego Engineering
- Yoga

These classes are offered for a fee. Castro will work with families and the CASTRO PTA to offer scholarships for students who have financial need.

During the COVID-19 pandemic extracurricular activities are limited to those that can be done safely, while adhering to current COVID-19 restrictions.

Student Recognition

Castro Elementary School's mission is to recognize students for meeting school expectations, showing effort, growth, perseverance and excellence through their school work, assessments, and behavior. The school reinforces those behaviors which contribute to a positive learning community and provide students with positive feedback. Castro Elementary acknowledges students via the monthly Dolphin Pride student recognition assembly, inside the classrooms with classroom and individual recognitions or prizes, morning announcements, as well as through district events that honor students, such as the MVWSD reclassification celebration.

Technology Resources

Every student in grades TK-8 has been issued a touch-screen Chromebook. Students in grades TK-2 have Chromebook carts in the classroom that they can use when they are at school. Students in grades 3-8 bring their Chromebook to and from school. Every classroom teacher has an Apple MacBook Air laptop and an iPad. Every classroom has a 75-80 inch TV with a wireless presentation device that teachers or students can connect to from a variety of devices. Every classroom has a 801.11 AC wireless access point to provide wireless access to the network. Students and teachers access District software through a centralized single sign on (SSO) portal. Students in grades TK-2 can use QR code badges to quickly sign in to the portal.

Library Information

Castro Elementary School's library, staffed by a part-time library technician, is stocked with more than 14,000 books in English and Spanish that are available for students and parents to check out. Students visit the library once a week with their class for both book check out and Read Aloud time. The library is also open to students and parents during recess and after school, at scheduled times. The library also contains computers for student use. These services have no cost for Castro students.

Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the Mountain View Public Library, which contains numerous computer workstations.

District Revenue Sources (Fiscal Year 2020-21)

In addition to general state funding, Mountain View Whisman School District receives state and federal funding for the following categorical, special education, and support programs:

- Title I
- Title II, Part A (Teacher & Principal Training & Recruiting)
- Title III, Part A (English Language Acquisition, Language Enhancement, and Academic Achievement Act)
- Title IV

District Expenditures (Fiscal Year 2019-20)

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state. Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor. The California Department of Education issued guidance to the district in August 2018 regarding how to calculate school-level per-pupil expenditures.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Expenditures per Pupil	
School	
Total Expenditures Per Pupil	\$8,594
From Supplemental/Restricted Sources	\$1,559
From Basic/Unrestricted Sources	\$7,035
District	
From Basic/Unrestricted Sources	\$7,356
Percentage of Variation between School & District	-4.4%
State	
From Basic/Unrestricted Sources	\$8,444
Percentage of Variation between School & State	-16.7%

Teacher & Administrative Salaries (Fiscal Year 2019-20)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of the district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the California Department of Education's website www.cde.ca.gov.

Average Salary Information		
Teachers - Principal - Superintendent		
2019-20		
	District	State
Beginning Teachers	\$65,899	\$51,450
Mid-Range Teachers	\$96,369	\$80,263
Highest Teachers	\$118,146	\$101,012
Elementary School Principals	\$166,366	\$128,082
Middle School Principals	\$174,648	\$132,453
High School Principals	-	-
Superintendent	\$246,477	\$197,968
Salaries as a Percentage of Total Budget		
Teacher Salaries	32.0%	34.0%
Administrative Salaries	6.0%	6.0%

School Site Teacher Salaries (Fiscal Year 2019-20)

State law requires comparative salary and budget information to be reported to the general public. The table illustrates the average teacher salary at the school and compares it to the average teacher salary at the district and state.

Average Teacher Salaries	
School & District	
School	\$90,960
District	\$91,005
Percentage of Variation	0%
School & State	
All Elementary School Districts	\$82,431
Percentage of Variation	10.3%
