This credit will be added to those staff members' base salaries and will be carried forward each year that staff member is employed with Crossroads Charter Schools. New teachers to Crossroads Charter Schools with more than 15 years of certified teaching experience will be credited for the first 15 years of experience and receive additional credit in subsequent years for their experience with Crossroads. This provision also applies to new 10-month non-teaching staff who will be credited for experience in their specific fields (i.e. a counselor with 10 years of counseling experience will be paid in accordance with their years of counseling experience) up to 15 years.

Paid Time Off

Crossroads Charter Schools also prides itself on the high-quality educational opportunities for our students. This caliber of programming requires more days per contract year and more hours per day than a typical school in our area. We take this extra time and dedication into account when offering opportunities for time off.

Employees are offered the following time off as part of their Total Compensation Package:

10-mo Staff		
Category	Amount	Avg Value Per 10-mo Staff
Personal Time	66 hours	\$1,965
Sick Time	66 hours	\$1,965

*Dollar amounts based on average 10-month staff salary per contract hour (190 contract days at 9 hours per day for a total of 1,710 hours)

Culture

We believe that work environment is just as important as compensation and benefits. We strive to provide an environment where you can thrive by providing you opportunities to participate in your own growth and development. You not only have a voice in our specialized programming, but your voice is also an integral part of our overall performance model when setting goals and delivering high quality education to students in a way that makes an impact.

Since the work environment is impacted by the relationships with those around you, we're also proud to offer a Culture Committee that hosts voluntary activities throughout the year, such as game nights. The school also celebrates our hard-working staff with various appreciation events including a holiday party and staff breakfasts.

We hope that you will help add value to the culture of Crossroads when you join our team.

Updating the Plan

In order to keep our Compensation Philosophy plan current, we plan to review the plan annually. This will help us remain competitive and relevant. Each year we will update the plan to adjust for applicable cost of living changes, competitive market fluctuations, and/or competition for talent.

In addition to the annual update to the compensation structure, you will continue to move through the plan with your additional year of experience. The most current plan will be posted online.

Grandfathering

As of the implementation of this plan, any employees over the maximum for their current position will be grandfathered into and frozen at their current salary until the salary structure surpasses their salary.

Employee Handbook

Details on other policies, benefits and time off such as bereavement and jury duty can be found in the Employee Handbook. Please note this document does not supersede the Employee Handbook which outlines many policies and procedures for the school
