Food Deliveries

Students may not receive deliveries of food or other products to school from outside vendors, including restaurants, pizza places, and fast food places via UberEats, Door Dash, families, or other delivery services. We ask parents to be mindful of disruptions to the school day; however, parents who need to deliver items to school throughout the day must check in with the Front Desk Security. The faculty and staff will make every effort to have students pick up items brought to school for students, but does not accept responsibility for lost or undelivered items.

Closed Campus

Students are not allowed to leave campus for lunch. Doing so will result in disciplinary consequences.
