

Dear Parents and Guardians,

We are pleased to announce that Klein ISD has contracted with Student Assurance Services to administer the student accident insurance program for the school year. Student Assurance Services offers parents/guardians the opportunity to purchase a supplement to their primary insurance for accident and injury coverage.

In addition, Klein ISD provides a supplemental student accident insurance plan to 7-12 grade students participating in UIL/Athletic activities. Accidents occurring during scheduled practice sessions, games, tournaments, events at other schools, and/or travel to and from activities are covered under this plan. The plan is secondary to any primary medical plan of benefits.

The Student Accident Insurance parents can purchase is a voluntary supplemental coverage and is available to any enrolled Klein ISD student for a single annual premium payment with numerous options. You can review coverage, enroll, and make your premium payment on-line at [Student Assurance Services](#).

A PDF copy of the voluntary enrollment brochure for 2022-23 can be downloaded here; [Voluntary Student Accident Insurance Brochure \(English\)](#) or [Voluntary Student Accident Insurance Brochure \(Spanish\)](#).
