How Do I Get Started?
Accessing your EAP and Worklife Services Benefit is easy and available 24 hours a day. Simply call the toll-free number on this brochure.

What Will Happen When I Call?
A specialist will ask you a few questions to help identify the nature of your problem and the appropriate resources to address it. If you need financial or legal services, we will refer you to an expert in that field. If you want to see a clinician, we'll match you with one in our network who has the appropriate experience to help. We will work to satisfy your preferences with respect to gender and language/cultural requirements.

How Much Will This Benefit Cost?
There's no charge for referrals, or for seeing a clinician within our network. If you'd like to speak with an expert for financial or legal assistance or for legal mediation, there's no cost for the initial consultation. Subsequent legal assistance is available at a 25 percent discount. Access to liveandworkwell.com is always free. For more information, please refer to your employer-provided benefit information.
