Community Members Needed to Study Jeffco Facilities Usage

As part of the Jeffco Public School's efforts to reduce costs and streamline the budget, the district is examining all areas of operation, including how schools and facilities are used throughout the district.

Volunteers are needed to serve on a Facilities Usage Committee to help the district determine the most efficient and effective use of its buildings.

For those interested in serving on the committee, please fill out a short form that can be found at: Jeffcublicschools.org and submit a letter of interest and resume by e-mail to supt@jeffco.k12.co.us.
