JEFFCO SCHOOL RECEIVES HP EDUCATION GRANT

Warren Tech in Lakewood is a recipient of the *2009 HP Innovations in Education Grant*.

The grants for secondary school districts fund districts to launch innovative pilot initiatives that support the administrators and teachers responsible for student success in math and science in middle schools and/or high schools.

Dan Snare, instructional coach at Warren Tech submitted the proposal *Global Impact –Building Technology Bridges for 21st Century Learners*; a commitment to exploring the innovations that are possible at the intersection of teaching, learning and technology.

One of 25 nationwide, the school will receive more than \$265,000 in HP technology, cash and professional development.
