JEFFCO'S 2014-15 PRELIMINARY ENROLLMENT INCREASES

Jeffco Schools has released 2014-15 enrollment figures that show the district's enrollment has increased.

The 2014-15 membership shows 86,574 students, an increase of 563 students from the 2013-14 school year. Last year, Jeffco saw an increase of 469 students. (Refer to chart). These preliminary enrollment numbers include students in facilities and may be adjusted based on the outcome of review by the Colorado Department of Education.

School Year	Membership*	Difference from Previous Year
2014-2015	86,574	+563
2013-2014	86,011	+469
2012-2013	85,542	-251
2011-2012	85,793	-178

* Membership count includes students in facilities

"It's promising to see the increased enrollment numbers because it means families are choosing our Jeffco schools," said Superintendent Dan McMinimee. "We offer choice for students and families, and along with the growth we are seeing in areas like northwest Arvada and central Lakewood, we expect our enrollment to continue to rise."
