**What:**

Kyffin Elementary School is hosting a grand opening ceremony for its brand new playground on the evening of Monday, August 31. The project is the culmination of two years of fundraising, planning and construction toward a new play space for students at Kyffin Elementary School.

The new playground will contain a play structure with slides, monkey bars, a swing set, a sand pit, climbing boulders and stumps, two seesaws, crawl-through logs, six benches, a climbing net, and an outdoor classroom which will also function as a community gathering space.

The playground is made possible by the dedicated work of the Kyffin Elementary, Jeffco Public Schools, the Parent-Teacher Association (PTA), Foothills Parks and Recreation, and a \$70,000 competitive play yard grant from Great Outdoors Colorado (GOCO).
