

***Pleasant View Elementary Open & Accepting  
Registrations for 2016-17 School Year***

**GOLDEN, Colo. (August 12, 2016)** – In April, Jeffco Public Schools developed a Facilities Master Plan which outlined ways to address the district’s facilities needs and included updates and changes to district schools.

The original version included closing and consolidating some schools. Pleasant View had been considered for closure; however, the Board of Education approved an amended version in June that **did not** include any closures.

Pleasant View is, and will remain, open.
