Background:

In 2015, to support the rapidly growing student population in northwest Arvada, the Jefferson County Board of Education voted to build a new school at the Candelas site, a 25-acre parcel of land on Colorado Highway 72 between West 94th Avenue and El Diente Court. The GH Phipps Company began construction on May 26, 2016. The new school is scheduled to open in the fall of 2017 and serve approximately 625 students.
