Prosperity Bank is proud to play part in gathering care packages for our military men & women. We're asking for your help to supply our troops with items from home such as food, hygiene items, and games & puzzles to pass the time.

Flip this page over for a full list of most needed items.

If you have a family member or friend who is deployed overseas or have any questions, please contact
Connie Schertz at 979-541-4207
connie.schertz@prosperitybankusa.com

The best thing a soldier away from home can receive is something encouraging: a card, letter, or drawing from everyone, including our children, saying Thank You & We Support You.
