Principal's Update

Schedule for October	Reminder: Thursday 10/27 is a late start schedule . SLHS Daily Schedule for October
Standley Lake Experience	The SLHS Experience is November 2 @ 6:00. If you know families that are looking to change schools, please invite them to become SLHS Gators. We have outstanding academics and a comprehensive high school. Last year was a huge success with great response from our prospective families.
Reminder about school fees	As a public school, every dollar counts in providing students the very best education possible. Your partnership with us in paying student fees enables us to do our very best for your student. We thank you for your partnership. We will be sending fee statements out on November 1st. Payments can be made online (see instructions below) or through the SLHS Finance Office. If you have been approved for Free and Reduced Lunch, please notify the school financial office to confirm that we have the proper documentation.
High Dosage Tutoring - Math	SLHS has been awarded a grant through ESSER III to support our students that have gaps in math. Please be aware that beginning in November, we will be adding a tutoring block to select students' schedules. We will contact the families impacted. This is a great opportunity for students to get caught up. We expect to see large gains in math proficiency for these kids.

Academics

Assessment Calendar	Use this Master Assessment Calendar to determine what assessments your student will be required to take throughout the school year. This also offers some insight into why the tests are given and how teachers use the results to monitor and adjust instruction. The dates are subject to change.

Trick or Treat Street	Trick or Treat Street 5pm to 7pm - Informational Flyer here
Political Science Fair	<p>What: Political Science Fair Who: Government students presenting to the Standley Lake Community Where: Standley Lake High School When: Tuesday November 1,2022 @ 6pm Why: Encourage civic engagement for Standley Lake students and community members</p> <p>We all remember our school science fairs, right? We are all picturing the paper machete volcanoes and ant farms placed neatly in front of a Tri-fold poster board. Well, the government team is excited to announce the return of the Political Science Fair! Government students will be assigned a small group to work with and will be asked to become experts on one of the races or issues on the 2022 Midterm Election ballot. The goal of the Political Science Fair is to encourage civic engagement from our students and our community, in hopes of all of us being more informed participants in American democracy. While we will be inviting candidates and representatives from the various races to come and speak with students and voters, we want to emphasize that this is a NONPARTISAN project. Students will not be asked to take a position or advocate for any candidate or side to an issue in any way, shape, or form. Students will be taking an informative approach so that voters in our community have accurate and objective understandings of the items that will be on the ballot in this area.</p> <p>We are asking for your support in this effort. We would love to have friends and family members of the SLHS community come and support the students' hard work.</p>

<p>2024 Trip to Belgium, France and Switzerland</p>	<p>June 2024 Trip to Belgium, France and Switzerland - open to all students, even those not enrolled in a French class. Come to a Parent Meeting on November 3 @ 6pm, in B207 to find out more and get all information on how to register.</p>
