Smoke Free - Weapons Free School Signage

We have smoke-free school signs available for free for your schools. The signs are made of weather-proof metal. We also have the same design available as plastic window clings. If you are interested, please contact Monica Garcia at mgarcia@esd123.org.

Behavioral Health Resources

The Washington State Legislature acknowledges that student behavioral health issues have become a crisis in our state. SHB 1373 requires that a contact organization for suicide prevention, depression or anxiety, eating disorders, and substance abuse, as well as a mental health referral service for children and teens, **be listed on the home page of each public school website.** We have developed a list of resources that may be used to compliment your school's list. [These and other resources are available on our behavioral health webpage.](#)

Please contact our Behavioral Health Navigator, Edona Tahiraj at etahiraj@esd123.org with any questions.

The ESD 123 Student Support Department is here to provide you with assistance and additional resources as needed. Please feel free to reach out with any questions or needs.
