20202 Aptos Street Riverside, California 92508 (951) 697-5700

AERIES PARENT PORTAL ACCOUNT CREATION HAS CHANGED FOR 2022-2023

If you already have an Aeries Parent Portal Account from the prior school year, you may go to the Parent Portal Log-In Page and enter your email and password to gain access. If you have forgotten your password, you can reset it by clicking the [Forgot Password?](#) link.

In order to create an Aeries Parent Portal Account for the first time, you will need to have a Valid Email Address on file with the AEMS Registrar. Once on file in our Main Office, we can activate your Aeries account using your provided personal email. Upon completing our administrative steps, you may attempt to log-on, where you will be prompted to create your own personal password for your Aeries Parent Portal Account. *Your password should remain confidential and never be shared with your student.*

Again, if you have already set up your Aeries Parent Portal account, you do NOT need to do again. However, if you already have a portal account for another child at an RUSD school, you may click the “Add Student” button to add your Earhart Middle School student to your parent account after sign in. The system will ask you for some personal information and details about your student to complete the Add process.
